# Broadway Interchange construction update and new website

**May 22, 2014**

The I-84, Broadway Interchange project will reach an important milestone **tonight (May 22)** when crews begin placing concrete for the deck of the new interchange bridge.

- One lane will be open in both directions of I-84 from 8:30 p.m. tonight to 5 a.m. Friday.
- Please drive carefully and watch for signs. Traffic on I-84 will move from lane to lane.
- Neighbors in the area may notice increased noise and construction lighting.

The second part of the deck placement will happen next week. Drivers can expect ongoing nighttime lane restrictions on I-84.

**New project website!**

ITD launched a new, mobile-friendly website for the Broadway Interchange project this week. The new website includes construction updates and project information. It is formatted to adapt to different screen sizes (desktop, tablet or mobile phone). Check it out at www.itd.idaho.gov/BroadwayInterchange/.

As always, please let us know if you have questions.
