I-84 eastbound on-ramp at Gowen Interchange closed for a month (July 28 to late August)

July 25, 2014

The eastbound I-84 on-ramp at the Gowen Interchange will be closed 24/7 for a month starting at 5 a.m. on **Monday, July 28 through late August**.

- Drivers will be detoured along Eisenman Road to the eastbound on-ramp at the Eisenman Interchange.
- **Click here** for a detour map.

The closure of the ramp will help accelerate construction of a new on-ramp and reduce the number of interstate closures for rock blasting.

Blasting at the Gowen Interchange - which is about halfway complete - is being done to excavate basalt rock to make room for widening Gowen Road and rebuilding the interchange.

The work-zone speed limit is 25 mph on Gowen Road, 55 mph on I-84 and 45 mph on the Gowen Interchange eastbound exit lane.

For more information about construction, visit www.itd.idaho.gov/GowenInterchange.
