The lane is being closed to provide more room for crews to work at the intersection of Myrtle Street and Broadway Avenue. Crews will be installing a new traffic signal and temporarily removing the concrete pedestrian islands at this intersection.

Please stay out of the construction work zone. Be aware of the boundaries, marked with orange fencing, and obey all 'No Trespassing' signs.

The Broadway Avenue Bridge is being replaced to meet today's design standards, as well as current and future traffic volumes.

Construction will be complete late this year.
