Volunteer Release Of Liability

Volunteer Services or Rest Area Activities Programs

All participants under the age of eighteen (18) must have a separate Release Form (ITD 2871) signed by their parent or guardian.

Signed Release Forms <u>must be returned to the Idaho Transportation Department</u> prior to participation in the Volunteer Services or Rest Area Activities Programs.

Volunteer Organization	Date

I do hereby release and discharge the State of Idaho, the Idaho Transportation Board, the Idaho Transportation Department, Idaho Department of Fish and Game and their officers, agents, and employees from all claims, demands, and causes of action of every kind whatsoever for any damages and/or injuries that may result from my participation in the Volunteer Services Program and/or other volunteer activities occurring on or near state highway rights-of-way, on state property, or in state buildings.

I further agree to hold harmless the state of Idaho, the Idaho Transportation Board, the Idaho Transportation Department, Idaho Department of Fish and Game and their officers, agents, and employees from liability for any damages or injuries resulting from any negligence or willful wrongdoing on my part during my participation in said volunteer activities occurring on or near the state highway rights-of-way, on state property, or in state buildings.

As a prerequisite to participation in Volunteer Services Programs, I have reviewed ITD's roadside safety training materials: *Guidelines for Litter Pickup/Traffic Control Plan for Volunteer Group Litter Pickup; Safety Tips; Bag It, Move It, or Leave It?* (Does not apply to the Rest Area Activities Program.)

I understand that volunteer projects will frequently be out of doors and that I will need to be in a physical condition adequate for normal outdoor physical activities.

I offer and agree to volunteer my services without compensation to assist the Idaho Transportation Department and the Idaho Department of Fish and Game. I understand I must provide my own insurance. I understand motorized vehicles are not exempt from traffic laws to perform the tasks involved (off road equipment is not legal on state right of way).

By signing this release, volunteers give permission for the State of Idaho to use photographs, video and/or audio recording of participation in volunteer activities or projects for publicity and educational purposes.
