¹ Available estimates are to be used for planning purposes only. FFY20 is last year of FAST transportation act. FY21 and later are flat-lined at FY20 levels. Funding levels assume 100% Obligation Authority.

² Available Dollars are in FY18 dollars at 2% annual inflation (funds reduced accordingly to represent reduced buying power).

³ GARVEE bonds provide no net additional transportation funding as they are repaid with future federal funds via debt service.
