IDAHO!!!

This ship was built in '52.
 When stern and bow, were but few.
 Conceived by people with a common bond.
 Of job and fellow workers they were fond.

The Captain was Dalaney, First Mate, Bell.
 Together they sailed thru heaven and hell.
 Turner was one, Merritt was two.
 From that day on, they grew and grew.

Christened to aid members with loans and shares.
 Like no other ship, she proved that she cares.
 Some First Mate's, new Captain and some new crew.
 The galliant Idaho will always sail through!
