ADDENDUM # 3

November 14, 2017

To all Bidders for the solicitation:

Bid Title: Coeur d'Alene ITD Compound Security System
Bid #: A000164

Please notify everyone concerned (subcontractors and suppliers) as to the issuance and contents of this Addendum prior to the date of bid opening. The following changes, deletions and/or additions have been made to the above mentioned solicitation. All other information will remain the same. This Addendum is a part of the contract documents and modifies them as follows:

Contractor will be responsible for backfilling and compacting the trench that will run from the southernmost building to the southernmost vehicle gate to run service to the new gate opener. Contractor must backfill level with the surrounding pavement and to industry standards.

ITD will be responsible for temporarily and/or permanently paving over this trench.

Contractor will be responsible for ground loops and ground loop sealant since they only require a very narrow saw cut trench and loop sealant that can be used in any kind of weather.

There will be no completion date extension due to weather. ITD will hold awarded contractor to the 75 days after Notice to Proceed is given as stated in ITB A00164.

There are no other changes.

Shad Flores, Buyer
Idaho Transportation Department

I acknowledge that I have received and read this addendum, and that failure to return a signed copy of this addendum with my response may result in my bid being found non-responsive.

Bidder (company name): _____

Authorized Signature: _____

Printed Name: _____
