

**Building Facility Architectural/Engineering Services Hiring Roster**  
**18-01 Evaluation Summary**

The purpose of this Request for Statement of Qualifications is to establish the roster from which the Idaho Transportation Department may choose to contract through individual Task Orders throughout the contract period. Any resultant agreement will not be a guarantee to purchase services. The Idaho Transportation Department may choose to interview several of the top firms. However, at its discretion, The Idaho Transportation Department may dispense with interviews and select a firm to perform the individual project work.

The following companies listed below **are** on the Idaho Transportation Department 18-01 Roster for FY18.

CSHQA	LCA	Castellow Kom Architects
Architects West	Hutchinson Smith Architects	JHS
Walsh Engineering Services	NBW Architects	

The following companies listed below **are not** on the Idaho Transportation Department 18-01 Roster for FY18.

Cole Architects	Slichter / Ugrin	H2A
