Construction Manager Hiring Roster
18-02 Evaluation Summary

The purpose of this Request for Statement of Qualifications is to establish the roster from which the Idaho Transportation Department may choose to contract through individual Task Orders throughout the contract period. Any resultant agreement will not be a guarantee to purchase services. The Idaho Transportation Department may choose to interview several of the top firms. However, at its discretion, The Idaho Transportation Department may dispense with interviews and select a firm to perform the individual project work.

The following companies listed below **are** on the Idaho Transportation Department 18-02 Roster for FY18.

ESI	McAlvain	Morgan Construction
Petra	RSCI	

Thank you for your interest in the Idaho Transportation Department.
