

Broadway Avenue Bridge Replacement

Roadway Improvements

ITD is replacing the Broadway Bridge over the Boise River and improving Broadway Avenue between University Drive and Front Street.

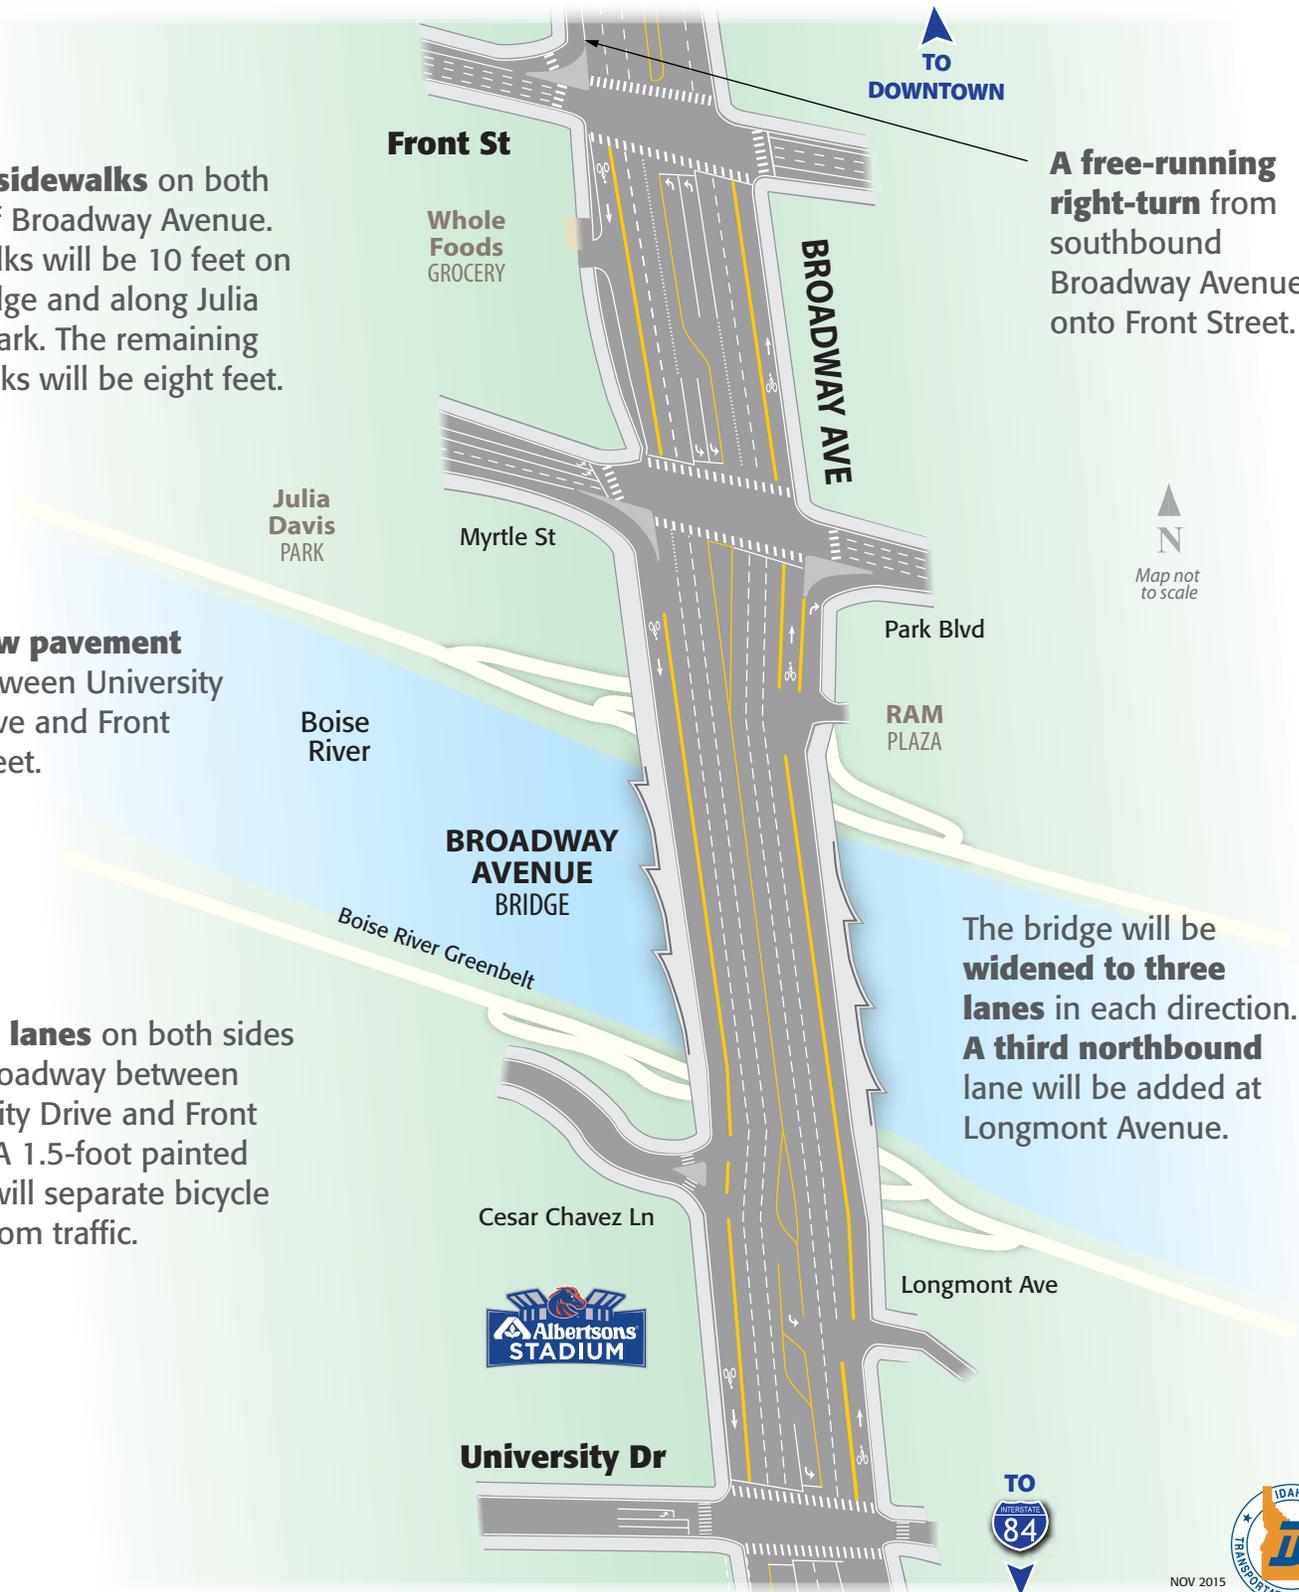

Wider sidewalks on both sides of Broadway Avenue. Sidewalks will be 10 feet on the bridge and along Julia Davis Park. The remaining sidewalks will be eight feet.

New pavement between University Drive and Front Street.

Bicycle lanes on both sides of the roadway between University Drive and Front Street. A 1.5-foot painted buffer will separate bicycle lanes from traffic.

A free-running right-turn from southbound Broadway Avenue onto Front Street.

The bridge will be **widened to three lanes** in each direction. **A third northbound lane** will be added at Longmont Avenue.
