Broadway Avenue
CLOSED
over the Boise River
January – Fall 2016

Cesar Chavez Lane will be closed near the Broadway Bridge construction zone

May 10, 2016

The east end of Cesar Chavez will be closed starting Wednesday, May 11. The closure will allow crews to create a larger work zone for upcoming construction activities and keep the project on schedule.

The closure of Cesar Chavez will be in place through late this summer.

Click here for a map of the closure location.

Signage will be placed to help notify motorists of the change and the detour route around the Broadway Bridge construction zone.

Construction is on schedule to be complete this fall.

The Broadway Bridge is being rebuilt because the existing structure is approximately 60 years old and does not meet today's standards. The project includes making roadway improvements to Broadway Avenue from University Drive to Front Street and enhancing connectivity to the Greenbelt.

GREENBELT DETOUR ROUTE CHANGE

Broadway Avenue is closed over the Boise River to Fall 2016.

The Idaho Transportation Department is replacing the Broadway Avenue Bridge and improving the roadway between University Drive and Front Street. Pedestrians and bicyclists will be detoured around the construction zone.

DETOUR ROUTE CHANGE

NORTH OF THE RIVER The Greenbelt detour north of the river will have a dedicated lane on Myrtle Street near Julia Davis Park.
