

Construction update: Second northbound lane, truck detour and blasting cancellation

July 30, 2014

Traffic impacts will be relatively minor for the next week or two at the Broadway Interchange. Here's what's new:

- ITD has temporarily re-opened a **second northbound lane on Commerce (Broadway) Avenue** south of the interchange to help reduce traffic backups. The lane will be open for another month until crews begin building the sidewalk and pavement.
- Trucks south of the interchange are advised to enter I-84 at the Vista Interchange. [Click here](#) for a map of the **recommended truck detour** route.
- **Blasting at the nearby Gowen Interchange has been canceled tomorrow** (Thursday) night and I-84 will be open. Tonight's detours will still happen as planned.

For more information, visit the [I-84, Broadway Interchange website](#). You are welcome to contact us anytime with questions.
