I-84 eastbound off-ramp at Broadway Interchange will reopen to two lanes Monday night (April 13)

April 10, 2015

Motorists exiting eastbound I-84 at Broadway Avenue will begin using a new off-ramp Tuesday morning (April 14). The new off-ramp will have two lanes for traffic to exit the interstate.

Lane restrictions will be in place on Monday night (April 13) from 8:30 p.m. to 5 a.m. on the ramp and eastbound I-84 near the Broadway Interchange as crews put the traffic shift into place.

Shifting traffic onto the new eastbound off-ramp will give crews room to build the outside lanes and shoulders of I-84.
