

CONSTRUCTION UPDATES

New I-84 westbound on-ramp at Broadway opens Friday morning

October 29, 2014

Flaggers will direct traffic through the I-84, Broadway Interchange on Thursday night (Oct. 30) as crews transition traffic onto a new westbound on-ramp.

- From 8:30 p.m. to 5 a.m. on Thursday night, signals will be turned off at the intersection of Broadway Avenue and the westbound I-84 ramps. Flaggers will control traffic.
- Drivers can expect overnight lane restrictions on Broadway Avenue as crews shift traffic to the east.
- Motorists entering westbound I-84 from Broadway Avenue will begin using the new on-ramp Friday morning (Oct. 31).

Over the next several weeks, crews will begin removing the existing soundwall that runs along the old on-ramp. Panels removed from this wall will be reused to build a new soundwall.
