December 2017 Standard Drawings are now available on the ITD manuals website. The Idaho Transportation Department's Standard Drawings web site is:

<http://apps.itd.idaho.gov/apps/StandardDrawings/StandardDrawings.htm>

Corrections to the Standard Drawings were made where references to old Standard Drawing numbers still existed. The cross references have been changed to the new Standard Drawing numbers. No revisions were made to the content of the Standard Drawings.

To update Standard Drawing documents dated June 2017, make the following changes:
