GENERAL INFORMATION

PROPOSAL

The Idaho Transportation Department (ITD) is seeking qualified and experienced respondents from interested firms to submit a proposal for providing project development services for the following projects:

US30, Noble Canal, Key No. 19949
SH51, South Side Canal, Key No. 19999
US20, Phyllis Canal, Key No. 20227

GENERAL TERMS

This Request for Proposals (RFP) does not commit ITD to enter into an agreement or to pay any costs incurred in the preparation of a proposal or in subsequent negotiations.

REVISIONS TO RFP

All addenda to this solicitation will be posted on the Consultant Administration Unit Web page. No notice will be given by mail.

RESERVATION OF RIGHTS BY ITD

The issuance of this RFP does not constitute an assurance by ITD that any contract will actually be entered into by ITD, and expressly reserves the right to:

- Waive any immaterial defect or informality in any response or response procedure
- Reject any and all proposals
- Reissue the Request for Proposals
- Invite additional respondents to the proposal
- Request additional information and data from any or all respondents
- Extend the date for submission of responses
- Supplement, amend, or otherwise modify the RFP, and cancel this request with or without the substitution of another RFP
- Disqualify any respondent who fails to provide information or data requested herein or who provides inaccurate or misleading information or data
- Disqualify any respondent on the basis of any real or apparent conflict of interest

By responding to this proposal, each respondent agrees that any finding by ITD of any fact in dispute as to this proposal or the responses thereto shall be final and conclusive, except as provided herein.

CONFLICT OF INTEREST

By the submission of a proposal, the Consultant agrees to ensure that, at the time of contracting, the Consultant will have no interest, direct or indirect, that would conflict in any manner or degree with the performance of the Consultant's obligations under the Agreement. The Consultant shall further covenant that, in the performance of the contract, the Consultant shall not employ any person, or subcontract with any entity, having any such known interest.

EEO REQUIREMENTS

Respondent, by submission of a proposal, agrees to not discriminate against any worker, employee, application subcontractor or any member of the public because of race, color, gender, age, national origin, or disability, or otherwise commit an unfair employment practice. Respondent further agrees to comply with all Federal, State, and Local equal employment opportunity requirements and the requirements of the ITD EEO Special Provisions, accessible at the following web site: <http://apps.itd.idaho.gov/apps/ocr/index.aspx>.

All firms who seek to work for the Idaho Transportation Department are required to be registered on ITD's Bidders List. If your firm is not registered, go to the following web site for instructions: <http://apps.itd.idaho.gov/apps/ocr/index.aspx>. Your subconsultants are also required to be registered. For further information regarding this requirement, call the ITD EEO Office at (208) 334-4442.

DBE PARTICIPATION:

In an effort to achieve ITD's DBE Annual Participation Goal (APG) of 7.6% utilization, ITD respectfully requests and encourages responder to consider utilizing subcontractors and suppliers listed on our DBE Directory located at: <https://itd.dbesystem.com>. For this project, it has been determined that there is a DBE availability of 15% or more. For more information regarding ITD's DBE Program, please contact Elizabeth "Liz" Healas at Elizabeth.Healas@itd.idaho.gov or (208) 334-8567.

FINANCIAL REQUIREMENTS

Prior to negotiating an agreement, the selected consultant and their subconsultants will be required to submit certified hourly rates and their last years' financial information and overhead schedule in accordance with the Federal Acquisition Regulations (FARs) and the ITD Overhead Rate Policy. The Overhead Rate Policy can be viewed at the following web site: <http://itd.idaho.gov/business/?target=consultant-agreements>.

PROPRIETARY MATERIAL

ITD assumes no liability for disclosure of proprietary material submitted by respondents. Proposal submittals shall be considered public documents under applicable state law except to the extent portions of the submittals are otherwise protected under applicable law.

CERTIFICATION REGARDING DEBARMENT

All proposals must contain a signed Certification Regarding Debarment, Suspension, and other Responsibility Matters form for the prime and each subconsultant. The certification form is located at the end of this document.

PROPOSAL EVALUATION AND SELECTION

An Evaluation Committee will evaluate and determine the individual and comparative merits of each of the proposals received. It is the responsibility of the Consultant to ensure that it complies with this RFP and provides the information requested. If the Consultant fails to provide any information requested in this RFP, such failure may result in either a lowered evaluation score of the proposal or disqualification of the proposal.

NOTE: It is the intent of ITD to select one or more firms to provide these services depending on qualifications and time available to meet deadlines. Selection will be at the sole discretion of ITD.

It is the intent of the department to take approximately fifteen days, commencing on the submission date shown below, to evaluate the submitted proposals. The department intends to notify the successful and unsuccessful Consultants as soon as practicable after the evaluations have been completed, and after approval has been given on the Evaluation Committee's recommendations.

As part of the selection process, the top-ranked firms may be required, at their expense, to give a presentation and/or answer interview questions.

If your firm is selected and approved, negotiations will begin. If negotiations break down with a selected Consultant, they will be formally ended and negotiations will begin with the next ranked Consultant.

CONTACT INFORMATION

All questions concerning the procedures of this request for proposal shall be directed to Holly McClure at ITD via email at Holly.Mcclure@itd.idaho.gov.

All project specific questions shall be directed by e-mail to Jeremy Hunting at Jeremy.Hunting@itd.idaho.gov. No questions will be accepted by telephone. All questions will be responded to by e-mail, within two days of receipt of the question(s).

Interested firms are encouraged to submit a contact e-mail address to Mr. Hunting with a request to be included on an electronic mailing list. Firms on the mailing list will receive copies of the response to all project questions submitted. All questions and answers will be confidential, and no firms will be identified in the responses. No project specific questions will be accepted after April 19, 2017.

PREPARATION INSTRUCTIONS

Proposals must conform to the following instructions. Any non-conforming proposal will be rejected.

Proposals must be received by ITD by 4:00 p.m. MDT on April 27, 2017. Proposals must be submitted via e-mail with the project name and the consultant's name clearly indicated in the subject line. Late proposals will not be considered.

E-Mail Address for proposal submittal is: consultantadminunit@itd.idaho.gov

FORMAT:

- Required File Format: pdf
- Maximum length of the submittal shall be eight (8) pages.
- Cover pages are discouraged. If they are included, they will be counted in the proposal page total.
- The introductory letter is limited to one (1) page. The letter does not count in the proposal page total.
- The Critical Path Diagram does not count in the proposal page total
- The Certification Regarding Debarment does not count in the proposal page total.
- Except as otherwise noted, pages shall be 8 ½ x 11 inches, with minimum of ½" margins and a minimum font size of 11.

INTRODUCTORY LETTER

The introductory letter should be addressed to:

Holly McClure
Consultant Services
Idaho Transportation Department
P.O. Box 7129
Boise, Idaho 83707-1129

The introductory letter should introduce the Consultant, identify the Project Manager, and list a contact telephone number, and contain a statement confirming the commitment of the key personnel identified in the submittal to meet ITD's quality and schedule expectations. The Consultant shall include his/her acceptance of the terms and provisions of the Sample Agreement located at <http://itd.idaho.gov/business/?target=consultant-agreements> , and indicate willingness to execute said agreement.

PROPOSAL

It is essential that the consultant provide an adequate staff of experienced personnel or subconsultants capable of and devoted to the successful accomplishment of work to be performed under this contract. The specific individuals or subconsultants listed in the proposal, including Project Manager, shall be assigned to the key positions and shall not be removed or replaced without the prior written approval of ITD. Replacement personnel submitted for approval must have at least equal qualifications, experience and expertise as those listed in the proposal.

The following criteria will be considered in the evaluation and selection, and apply only to the Consultant, except where specifically requested for the Consultant and each Subconsultant. The weights listed will be applied to the scoring for each criteria.

CRITERIA 1: COMPANY EXPERIENCE AND QUALIFICATIONS

Weight - 3 *(Complete for Consultant and each Subconsultant)*

- Describe how the company is organized to develop this type of project.
- Provide descriptions of no more than three (3) similar projects successfully developed by the Consultant within the last five (5) years, identifying the similarities to this project. Federal-aid projects successfully developed by the consultant should be included if available.
- List three (3) verifiable professional services references with a contact person and phone number.
- Discuss any special or innovative capabilities your firm can provide to the proposed project to meet ITD's quality and schedule expectations.

CRITERIA 2: PROJECT MANAGER

Weight - 4

- Identify the Project Manager who will be responsible for the quality and timeliness of the consultant's work, and for ensuring that adequate personnel and other resources are available for this project.
- Provide a brief summary of education, experience, and qualifications pertaining to the management of this project
- Provide descriptions of no more than three (3) similar projects successfully developed by the Project Manager within the last five (5) years, identifying the similarities to this project. Federal-aid projects successfully developed by the project manager should be included if available. Include dates and specific services provided.
- Provide Idaho professional registration (registration is required at the time of submittal).

- List three (3) verifiable professional services references with a contact person and phone number.
- List all projects that the Project Manager is currently managing and the percent of time spent by him/her on each of those projects. Include estimated completion date for each of those projects.

CRITERIA 3: KEY PERSONNEL & RESOURCES AVAILABLE
Weight - 4 *(Complete for Consultant and each Subconsultant)*

- Identify the key personnel and describe each person's role and duties on this project.
- Provide a brief summary of experience and qualifications. Include experience and qualifications working on Federal-aid projects.
- Provide Idaho professional registration (if applicable) for each person identified.
- Include an organization chart of the key personnel with their roles and office locations.

CRITERIA 4: PROJECT UNDERSTANDING
Weight - 3

- Provide a written narrative demonstrating knowledge, methodology, policies and procedures to accomplish this federally funded highway project as outlined in the General Scope of Work.
- Identify the significant features and potential issues that may be encountered and possible steps to eliminate or minimize those issues.
- Include a Critical Path Diagram based on major tasks and project milestones. The sheet size for the Critical Path Diagram shall be 11" x 17".

CRITERIA 5: QUALITY CONTROL
Weight - 5 *(Complete for Consultant and each Subconsultant)*

- Describe the Consultant's procedures for scope change control, schedule and cost control and quality control. This should also include a description of the Consultant's control measures regarding their Subconsultants' project related work.
- Describe any innovative techniques or practices the Consultant will use for expediting any items requiring long lead times, needing multiple reviews, and/or having multiple reviewers. This should include any methods to help compress the project schedule and improve or maintain efficiency and accuracy.

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION,
AND OTHER RESPONSIBILITY MATTERS**

By signing this document, the Consultant certifies to the best of their knowledge and belief that, except as noted on an attached Exception, the company:

- a. Is not presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from covered transactions by any Federal department or agency;
- b. has not, within a three-year period preceding this proposal, been convicted of, or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records making false statements, or receiving stolen property;
- c. are not presently indicted for, or otherwise criminally or civilly charged by a government entity (Federal, State or local) with, commission of any of the offenses enumerated in paragraph (b) of this certification; and
- d. has not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

NOTE: Exceptions will not necessarily result in denial of award, but will be considered in determining Consultant responsibility. For any exception noted, indicate to whom it applies, initiating agency and dates of action. Providing false information may result in criminal prosecution or administrative sanctions.

GENERAL SCOPE OF WORK

PROJECT DESCRIPTION:

This package consists of 3 individual projects as follows:

KN 20227	US 20 Phyllis Canal	Milepost 33.12, Near Meridian
KN 19949	US 30 Noble Canal	Milepost 25.84, Near New Plymouth
KN 19999	SH 51 South Side Canal	Milepost 70.11, Near Bruneau

Each project will replace the current existing structure over its respective canal facility along with any associated sidewalk, railing, drainage features, and roadway approaches. All proposed work including any temporary traffic control and/or detours will be required to stay within existing ITD right-of-way. A full hydraulics analysis, materials investigation and analysis, environmental research and analysis, and all corresponding reports/documentaion and applicable permits will be required for each structure. Separate design and PSE packages will be required for each structure. The selected consultant(s) will be required to develop the project(s) from pre-concept to PS&E and be qualified in the following areas of expertise:

- Roadway Design
- Hydraulics
- Survey
- Environmental
- Structural Engineering and Design
- Geotechnical Investigation/Design
- Traffic Control Design
- Storm Water Pollution Prevention Plan Design

BRIEF SCOPE OF WORK/ACTIVITIES:

Administration - The consultant shall create and maintain project development files, perform necessary research, and attend and lead regularly scheduled progress meetings. Consultant will be in frequent contact with ITD and all team participants in regards to status of their respective assignments and when they will forward interim and/or final product(s) needed by other team members. Consultant will track progress and be able to deal with questions and resolve issues before they become delays or cause significant rework.

Conceptual Design – The consultant will prepare and/or perform all necessary or required surveying, mapping, environmental research and reports, geological reconnaissance and materials phase reports, hydraulic analysis and reports, and traffic analysis for all roadway and structure design items. Consultant will identify and coordinate with any project stakeholders such as environmental agencies or groups, utility companies, and the canal company. Consultant shall evaluate cost-effective and innovative replacement alternatives.

Preliminary Design - The consultant will perform any additional surveys and reports, prepare preliminary plans for the project in accordance with the ITD Bridge and Roadway Design Manuals and standard procedures, and prepare the design study report. All pedestrian facilities shall be evaluated for American with Disabilities Act (ADA) compliance. Any improvements to the ADA facilities will adhere to the latest ADA Standards for Accessible Design. Consultant will prepare a traffic control plan that maintains mobility and minimizes delays for the traveling public during construction of the project.

Final Design – The consultant will perform and/or prepare any final reports, final plans, special provisions and cost estimates as required by ITD Design Manual through final design review. Consultant will prepare and obtain any required documents for permitting, such as a 404 permit and SWPPP documents and plans.

PS&E – The Consultant will prepare and submit to ITD for review a PS&E package and a Resident Engineers file in accordance with ITD Design Manual. Consultant will be available for questions during the bidding process.

Construction – Consultant will assist Resident Engineer through construction for such items as: clarification of plans, change order work, reviewing and approving shop drawings, assisting with claims, etc.

PS&E will be delivered by March 22, 2018.
