Criteria 6 – Software Experience, states that “The Consultant shall provide a sample page of the spreadsheets that will be used to replicate MAPS on 11 x 17 paper. This will not count against the proposal page count.” That requirement is being removed from the criteria. Criteria 6 now reads as follows:

CRITERIA 6 – SOFTWARE EXPERIENCE (Weight 4)

- Describe the Consultant’s experience with Site Manager, Materials Acceptance Program (MAP), Excel and ProjectWise. Include what projects you have used them on as well as the roles and responsibilities you have had with this software. Be specific about who on your proposed team has experience and what experience they have.

All other provisions of the solicitation remain unchanged.
