GENERAL INFORMATION

PROPOSAL

The Idaho Transportation Department (ITD) is seeking qualified and experienced respondents from interested firms to submit a proposal to provide inspection, sampling and testing, and project close-out (IS&T) services for the following SH-69 projects in Ada County:

- Kuna to Meridian, Key No. 19965
- Signal Installation At Hubbard & Lake Hazel, Key No. 19997

GENERAL TERMS

This Request for Proposals (RFP) does not commit ITD to enter into an agreement or to pay any costs incurred in the preparation of a proposal or in subsequent negotiations.

REVISIONS TO RFP

All addenda to this solicitation will be posted on the Consultant Services web page. No notice will be given by mail.

RESERVATION OF RIGHTS BY ITD

The issuance of this RFP does not constitute an assurance by ITD that any contract will actually be entered into by ITD, and expressly reserves the right to:

- Waive any immaterial defect or informality in any response or response procedure
- Reject any and all proposals
- Reissue the Request for Proposals
- Invite additional respondents to the proposal
- Request additional information and data from any or all respondents
- Extend the date for submission of responses
- Supplement, amend, or otherwise modify the RFP, and cancel this request with or without the substitution of another RFP
- Disqualify any respondent who fails to provide information or data requested herein or who provides inaccurate or misleading information or data
- Disqualify any respondent on the basis of any real or apparent conflict of interest

By responding to this proposal, each respondent agrees that any finding by ITD of any fact in dispute as to this proposal or the responses thereto shall be final and conclusive, except as provided herein.

CONFLICT OF INTEREST

By the submission of a proposal, the Consultant agrees to ensure that, at the time of contracting, the Consultant will have no interest, direct or indirect, that would conflict in any manner or degree with the performance of the Consultant's obligations under the Agreement. The Consultant shall further covenant that, in the performance of the contract, the Consultant shall not employ any person, or subcontract with any entity, having any such known interest.

EEO REQUIREMENTS

Respondent, by submission of a proposal, agrees to not discriminate against any worker, employee, application subcontractor or any member of the public because of race, color, gender, age, national origin, or disability, or otherwise commit an unfair employment practice. Respondent further agrees to comply with all Federal, State, and Local equal employment opportunity requirements and the requirements of the ITD EEO Special Provisions, accessible at the following web site:

<http://apps.itd.idaho.gov/apps/ocr/index.aspx>.

All firms who seek to work for the Idaho Transportation Department are required to be registered on ITD's Bidders List. If your firm is not registered, go to the following web site for instructions:

<http://apps.itd.idaho.gov/apps/ocr/index.aspx>. Your subconsultants are also required to be registered. For further information regarding this requirement, call the ITD EEO Office at (208) 334-8884.

DBE PARTICIPATION:

In an effort to achieve ITD's DBE Annual Participation Goal (APG) of 8.3% utilization, ITD respectfully requests and encourages responder to consider utilizing subcontractors and suppliers listed on our DBE Directory located at: <https://itd.dbesystem.com> . For more information regarding ITD's DBE Program, please contact Elizabeth "Liz" Healas at Elizabeth.Healas@itd.idaho.gov or (208) 334-8567.

FINANCIAL REQUIREMENTS

Prior to negotiating an agreement, the selected consultant and their subconsultants will be required to submit certified hourly rates and their last years' financial information and overhead schedule in accordance with the Federal Acquisition Regulations (FARs) and the ITD Overhead Rate Policy. The Overhead Rate Policy can be viewed at the following web site:

<http://apps.itd.idaho.gov/apps/ocr/index.aspx>.

PROPRIETARY MATERIAL

ITD assumes no liability for disclosure of proprietary material submitted by respondents. Proposal submittals shall be considered public documents under applicable state law except to the extent portions of the submittals are otherwise protected under applicable law.

CERTIFICATION REGARDING DEBARMENT

All proposals must contain a signed Certification Regarding Debarment, Suspension, and other Responsibility Matters form for the prime and each subconsultant.

The certification form is located on the Consultant Services web page at <http://itd.idaho.gov/business/?target=consultant-agreements> .

PROPOSAL EVALUATION AND SELECTION

It is the intent of the department to hire one firm to provide the services for both projects.

An Evaluation Committee will evaluate and determine the individual and comparative merits of each of the proposals received. It is the responsibility of the Consultant to ensure that it complies with this RFP and provides the information requested. If the Consultant fails to provide any information requested in this RFP, such failure may result in either a lowered evaluation score of the proposal or disqualification of the proposal.

It is the intent of the department to take approximately fifteen days, commencing on the submission date shown below, to evaluate the submitted proposals. The department intends to notify the successful and unsuccessful Consultants as soon as practicable after the evaluations have been completed, and after approval has been given on the Evaluation Committee's recommendations.

As part of the selection process, the top-ranked firms may be required, at their expense, to give a presentation and/or answer interview questions.

If your firm is selected and approved, negotiations will begin. If negotiations break down with a selected Consultant, they will be formally ended and negotiations will begin with the next ranked Consultant.

CONTACT INFORMATION

All questions concerning the procedures of this request for proposal shall be directed to Holly McClure at ITD via email at Holly.Mcclure@itd.idaho.gov.

All project specific questions shall be directed by e-mail to Dana Dietz at Dana.Dietz@itd.idaho.gov . No questions will be accepted by telephone. All questions will be responded to by e-mail, within two days of receipt of the question(s).

Interested firms are encouraged to submit a contact e-mail address to Ms. Dietz with a request to be included on an electronic mailing list. Firms on the mailing list will receive copies of the response to all project questions submitted. No firms will be identified in the responses. No project specific questions will be accepted after March 13, 2018.

PROPOSAL

It is essential that the consultant provide an adequate staff of experienced personnel or subconsultants capable of and devoted to the successful accomplishment of work to be performed under this contract. The specific individuals or subconsultants listed in the proposal, including Project Manager and Lead Inspector, shall be assigned to the key positions and shall not be removed or replaced without the prior written approval of ITD. Replacement personnel submitted for approval must have at least equal qualifications, experience and expertise as those listed in the proposal.

The following criteria will be considered in the evaluation and selection, and apply only to the Consultant, except where specifically requested for the Consultant and each Subconsultant. The weights listed will be applied to the scoring for each criteria.

CRITERIA 1 - PROJECT MANAGER

(Weight 4) *(Complete for Lead Consultant Project Manager Only)*

- Identify the Project Manager who will be responsible for the quality, timeliness and delivery of the consultant's work, and for ensuring that adequate personnel and other resources are available for this project.
- Provide a brief summary of education, experience, and qualifications pertaining to the management of this project.
- The Project Manager should list proof of direct applicable IS&T experience in working on Federal-aid construction projects. Include the roles and responsibilities on each of the listed projects.
- Include Idaho registration (registration is required at the time of submittal) as a professional engineer.
- Describe availability to the project. Scoring consideration will be made on staff known to be assigned to other ITD and local agency projects.
- If the Project Manager is currently assigned to other projects, note how the other project(s) will be impacted and the impact resolved.

CRITERIA 2 - LEAD INSPECTOR ONSITE

(Weight 4) *(Complete for the Lead Inspector only)*

- Identify the Lead Inspector to be assigned onsite to the project and describe their duties on this project.
- Provide his/her qualifications (WAQTC & IQP).
- Lead Inspector should list proof of direct applicable experience in working on Federal-aid construction projects. List the IS&T experience and role that this individual had on the projects.
- Include Idaho professional registration (if applicable).
- Describe availability to the project. Scoring consideration will be made on staff known to be assigned to other ITD and local agency projects.
- If the Lead Inspector is currently assigned to other projects, note how the other project(s) will be impacted and the impact resolved.

CRITERIA 3 – KEY PERSONNEL ASSIGNED TO THE PROJECT

(Weight 3) *(Complete for Consultant and each Subconsultant)*

- Identify the key personnel to be assigned to the project and describe each person's role, duties and office location.
- List each person's qualifications (WAQTC & IQP) and include Idaho professional registration (if applicable).
- Key Personnel should list proof of direct applicable IS&T experience in working on Federal-aid construction projects.
- Describe availability to the project. Scoring consideration will be made on staff known to be assigned to other ITD and local agency projects.
- If staff members are currently assigned to other projects, note how the other project(s) will be impacted and the impact resolved.

CRITERIA 4 – COMMUNICATION

(Weight 2) *(Complete for Consultant and each Subconsultant)*

- Describe your procedures for maintaining adequate and timely communications to project staff, ITD and interested stakeholders.

CRITERIA 5 – QUALITY CONTROL
(Weight 3)

- Describe the Consultant’s procedures for scope change control, schedule and cost control and quality control specific to this project. This should include a description of the Consultant’s control measures regarding the Subconsultant’s project related work.

-

CRITERIA 6 – SOFTWARE EXPERIENCE
(Weight 4)

- Describe the Consultant’s experience with Site Manager, Materials Acceptance Program (MAP), Excel and ProjectWise. Include what projects you have used them on as well as the roles and responsibilities you have had with this software. Be specific about who on your proposed team has experience and what experience they have.
- The Consultant shall provide a sample page of the spreadsheets that will be used to replicate MAPS on 11 x 17 paper. This will not count against the proposal page count.

SCOPE OF WORK

KN 19965, SH69 Kuna to Meridian KN 19997, SH69, Signals at Hubbard and Lake Hazel

The Department will be constructing ADA ramps and performing pavement rehabilitation on SH69 between MP 1.435 and 9.155 from Kuna to Meridian, and installing traffic signals at the Hubbard and Lake Hazel intersections.

The Department is in need of a full IS&T team for inspection, sampling and testing. Construction Engineering will be performed by the Department. The consultant will be expected to perform all inspection, sampling, and testing, as well as project documentation for project closeout. The inspectors will be using SiteManager to input Daily Work Reports/Pay documents. The consultant team will be expected to track and manage testing frequencies and all other aspects of sampling and testing.

This project will be in compliance with the 2017 Standard Specifications for Highway Construction. The Consultant will develop a Materials Acceptance Plan system of spreadsheets that replicates the MAPS software program that has historically been used. MAPS software will not be used on this project. The consultant team will be expected to put all records into the Materials Acceptance Plan System of spreadsheets and ProjectWise for final project closeout.

A Superpave Combo Field Laboratory will be provided under the Project. A Field Office is not provided. A VPN will be provided.

Change orders will be managed by the Department.
