

# MYRTLE STREET REPAVING

ITD is repaving Myrtle Street (U.S. 20) and reconstructing several pedestrian ramps between the I-184 Connector and Broadway Avenue.

## WHAT TO EXPECT:

- **Myrtle Street:** All lanes will be open on Myrtle Street during the day. One lane will be closed at night.
- **Intersections:** Daytime restrictions may be necessary on roads that intersect Myrtle Street while pedestrian ramps are under construction.
- **Sidewalks:** When a pedestrian ramp is under construction, a detour will be in place 24/7.
- **Driveways:** Nighttime paving (8 p.m. to 6 a.m.) will temporarily block driveways on Myrtle Street for up to two hours. ITD will work to notify businesses in advance.
- **Noise:** Construction will be noisy at night.
