

# CONSTRUCTION AHEAD – 2017

**Fort Hall Interchange bridge over I-15 will be restricted to one lane Wednesday, Dec. 13 to improve the road surface**

The Idaho Transportation Department will improve the driving surface on the bridge over I-15 at the Fort Hall Interchange (Exit 80) on Wednesday (Dec. 13).

Daytime restrictions will allow crews to perform bridge maintenance activities.

#### What to expect:

- Work will be completed on Wednesday (Dec. 13).
- The bridge will be reduced to one lane with flaggers directing motorists across the bridge.
- Work is weather dependent.
