ITD suspends Interstate 15 construction Aug. 18-22 for solar eclipse

The Idaho Transportation Department will suspend all construction work on Interstate 15 in Idaho in anticipation of the solar eclipse on August 21.

Here's what to expect:

- From **August 18-22** two lanes will be open in both directions on I-15.
- ITD's I-15 mobile app will provide traffic data for three major eastern Idaho routes.
 - The app shows current and predicted travel times on I-15 between Utah and Montana, U.S. 91 from Chubbuck to Idaho Falls and U.S. 20 from Idaho Falls to West Yellowstone.
- **Parking will not be permitted on highway shoulders or turnouts.**

The Idaho Transportation Department encourages eclipse travelers to pack extra food and water, [be aware of nearest I-15 exits](#) and reminds motorists to **plan extra time**.
