

GOWEN INTERCHANGE UPDATE WINTER 2014 – EARLY 2015

Construction of the new I-84, Gowen Interchange is moving forward and on schedule to be complete in late 2015. ITD reminds drivers the work zone speed limit is 55 mph on I-84 and 25 mph on Gowen Road.

Rebuild and widen Gowen Road south of the interchange

Traffic will be shifted to the north onto temporary pavement as crews rebuild the south side of Gowen Road.

Intermittent nighttime lane restrictions on Gowen Road from 8 p.m. to 5 a.m. weekdays and to 7 a.m. on weekends.

Overnight ramp closures will occur intermittently.

Install temporary signals on Gowen Road

Traffic will use temporary signals at S. Eisenman Road and the eastbound ramps.
