

## Traffic shifts on I-84 between Eisenman and Gowen Interchanges (March 1-5)

Feb. 26, 2015

On **Sunday night (March 1)**, crews will begin putting in place a [new traffic pattern](#) on I-84 at the Gowen Interchange. This work is weather dependent.

- From **Sunday through Thursday (March 1-5)**, lane restrictions will be in place on I-84 from the Eisenman Interchange to just west of the Gowen Interchange.
- Traffic on I-84 will be **shifted into new configurations nearly every day** next week as crews stripe the roadway and install guardrail for the new traffic pattern.
- **By Thursday (March 5), I-84 will be reduced to one lane in each direction 24/7 along a 1.5 mile stretch east and west of the Gowen Interchange.** This traffic pattern will remain in place through the summer.

On **Monday and Tuesday (March 1 and 2)**, ramps at the I-84, Gowen Interchange will be closed overnight from 8 p.m. to 5 a.m.

- The eastbound on- and off-ramps will be closed Sunday night.
- The eastbound on-ramp will be closed Monday night.
