

CONSTRUCTION	MEMORANDUMS	MEMO NO. 58
DATE OF ISSUE	MAY 2007	
SUBJECT	SPECIFICATION COMMITTEE MEETING	
DATE OF REVIEW	MAY 2009	

The Division of Highways Memorandum No. 27 provides for publication / distribution of ITD Standard Specification Supplementals at 6-month intervals, January and July, of each year.

In order to meet the deadlines for publication, the Specification Committee Meeting will be held no later than April 15<sup>th</sup> for the July supplementals and no later than October 5<sup>th</sup> for the January supplementals. The Construction Section staff will determine subsequent deadline dates for submittal of specification changes to provide opportunity for ITD and the contracting community to review and comment on the submitted specification changes prior to the Specification Committee Meetings.
