

# CONSTRUCTION IMPACTS | April to October 2014

The I-84, Meridian Interchange project is expected to be complete in late 2015.

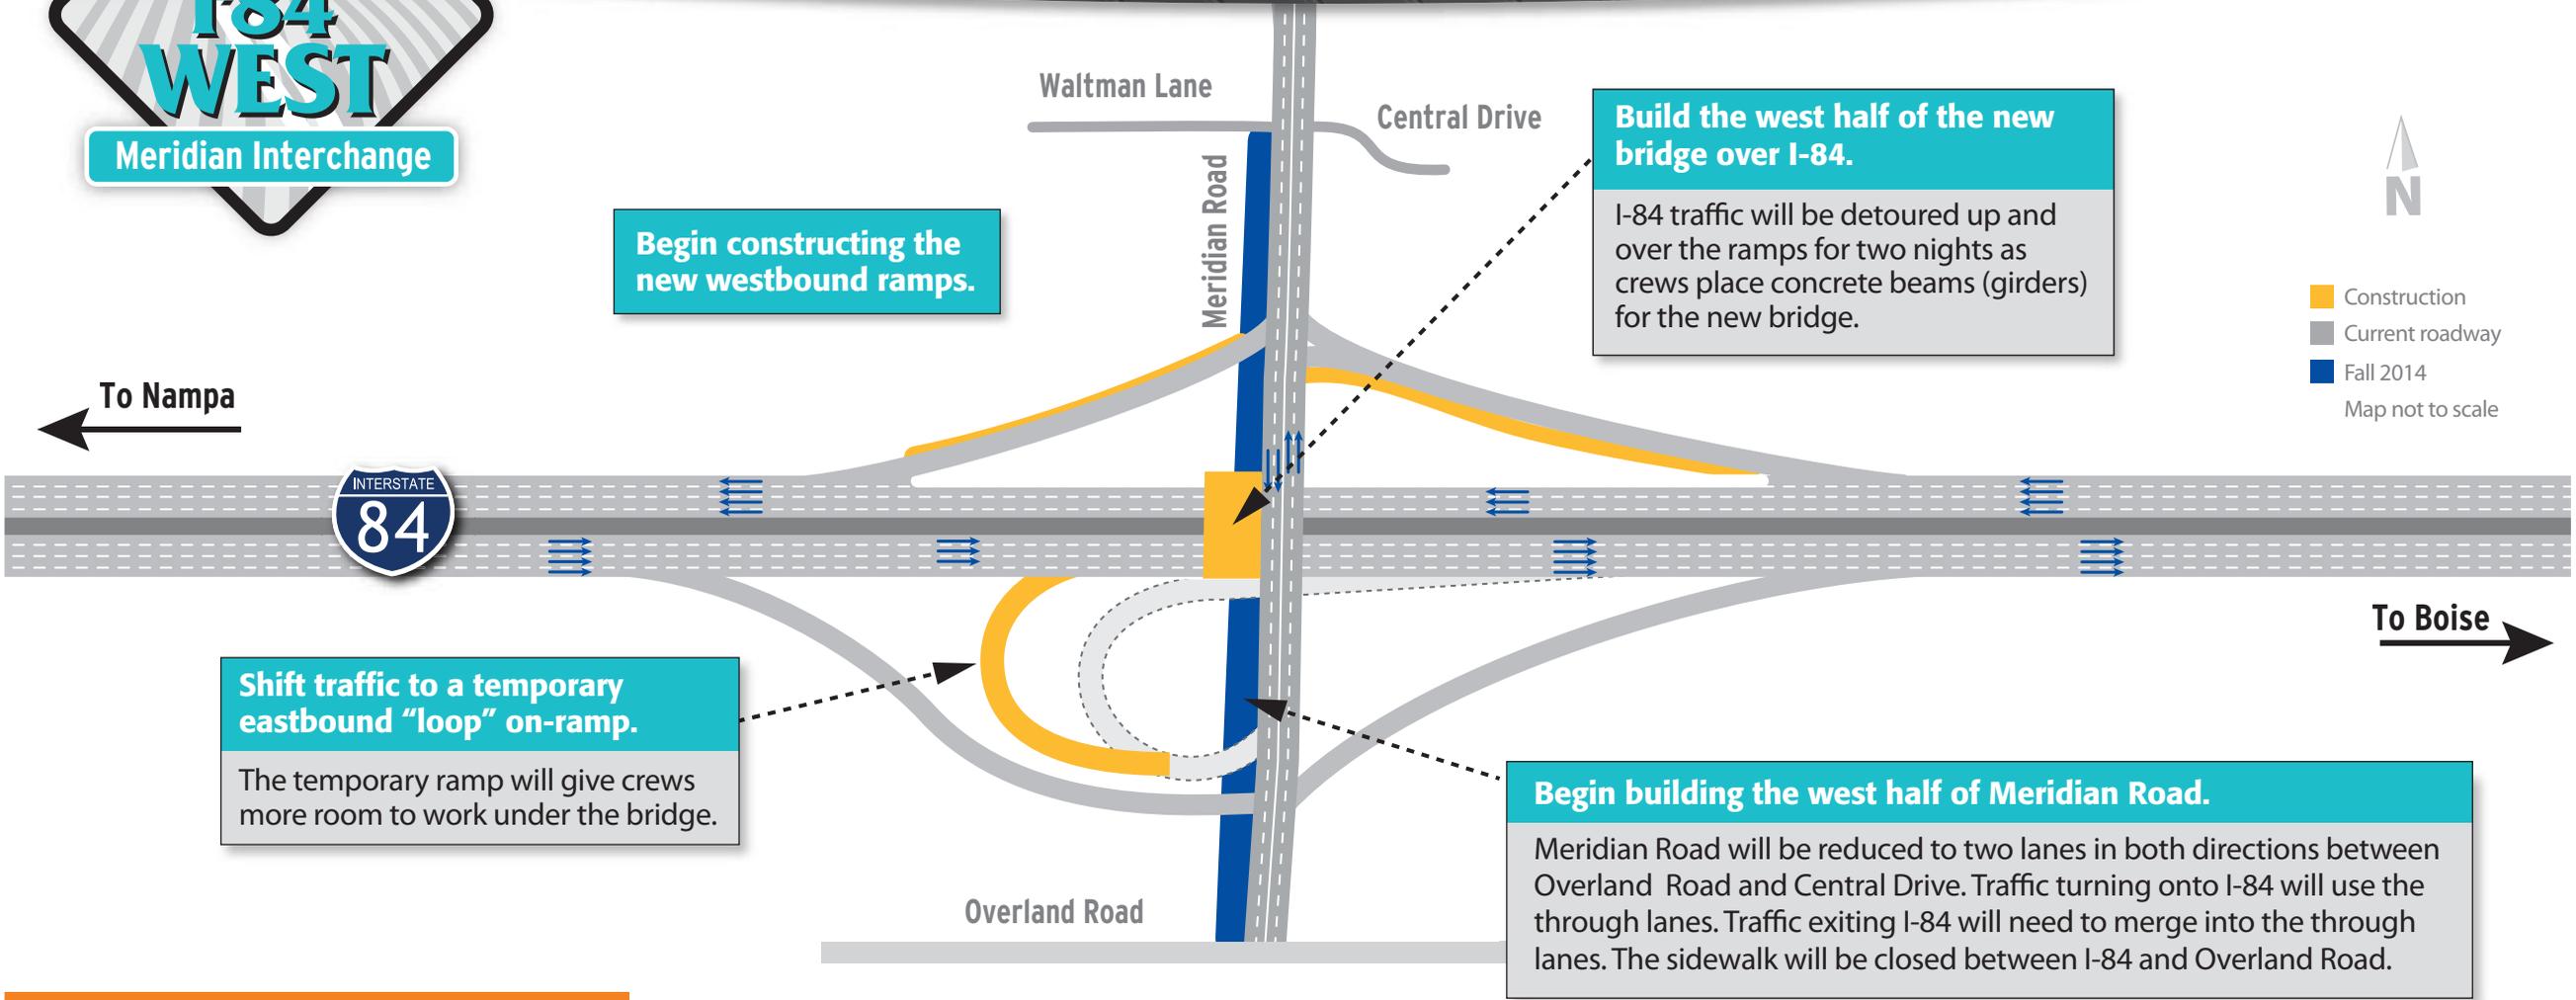

**Begin constructing the new westbound ramps.**

**Build the west half of the new bridge over I-84.**  
I-84 traffic will be detoured up and over the ramps for two nights as crews place concrete beams (girders) for the new bridge.

■ Construction  
■ Current roadway  
■ Fall 2014  
Map not to scale

**Shift traffic to a temporary eastbound "loop" on-ramp.**  
The temporary ramp will give crews more room to work under the bridge.

**Begin building the west half of Meridian Road.**  
Meridian Road will be reduced to two lanes in both directions between Overland Road and Central Drive. Traffic turning onto I-84 will use the through lanes. Traffic exiting I-84 will need to merge into the through lanes. The sidewalk will be closed between I-84 and Overland Road.

**DURING CONSTRUCTION:  
LEAVE EARLY  
SLOW DOWN  
PAY ATTENTION**

Watch for speed-limit reductions in the work zone on I-84 and Meridian Road.

ITD will announce closure details on the project website and via email. Sign up for email updates at [comments@itd.idaho.gov](mailto:comments@itd.idaho.gov) or (208) 334-8005.

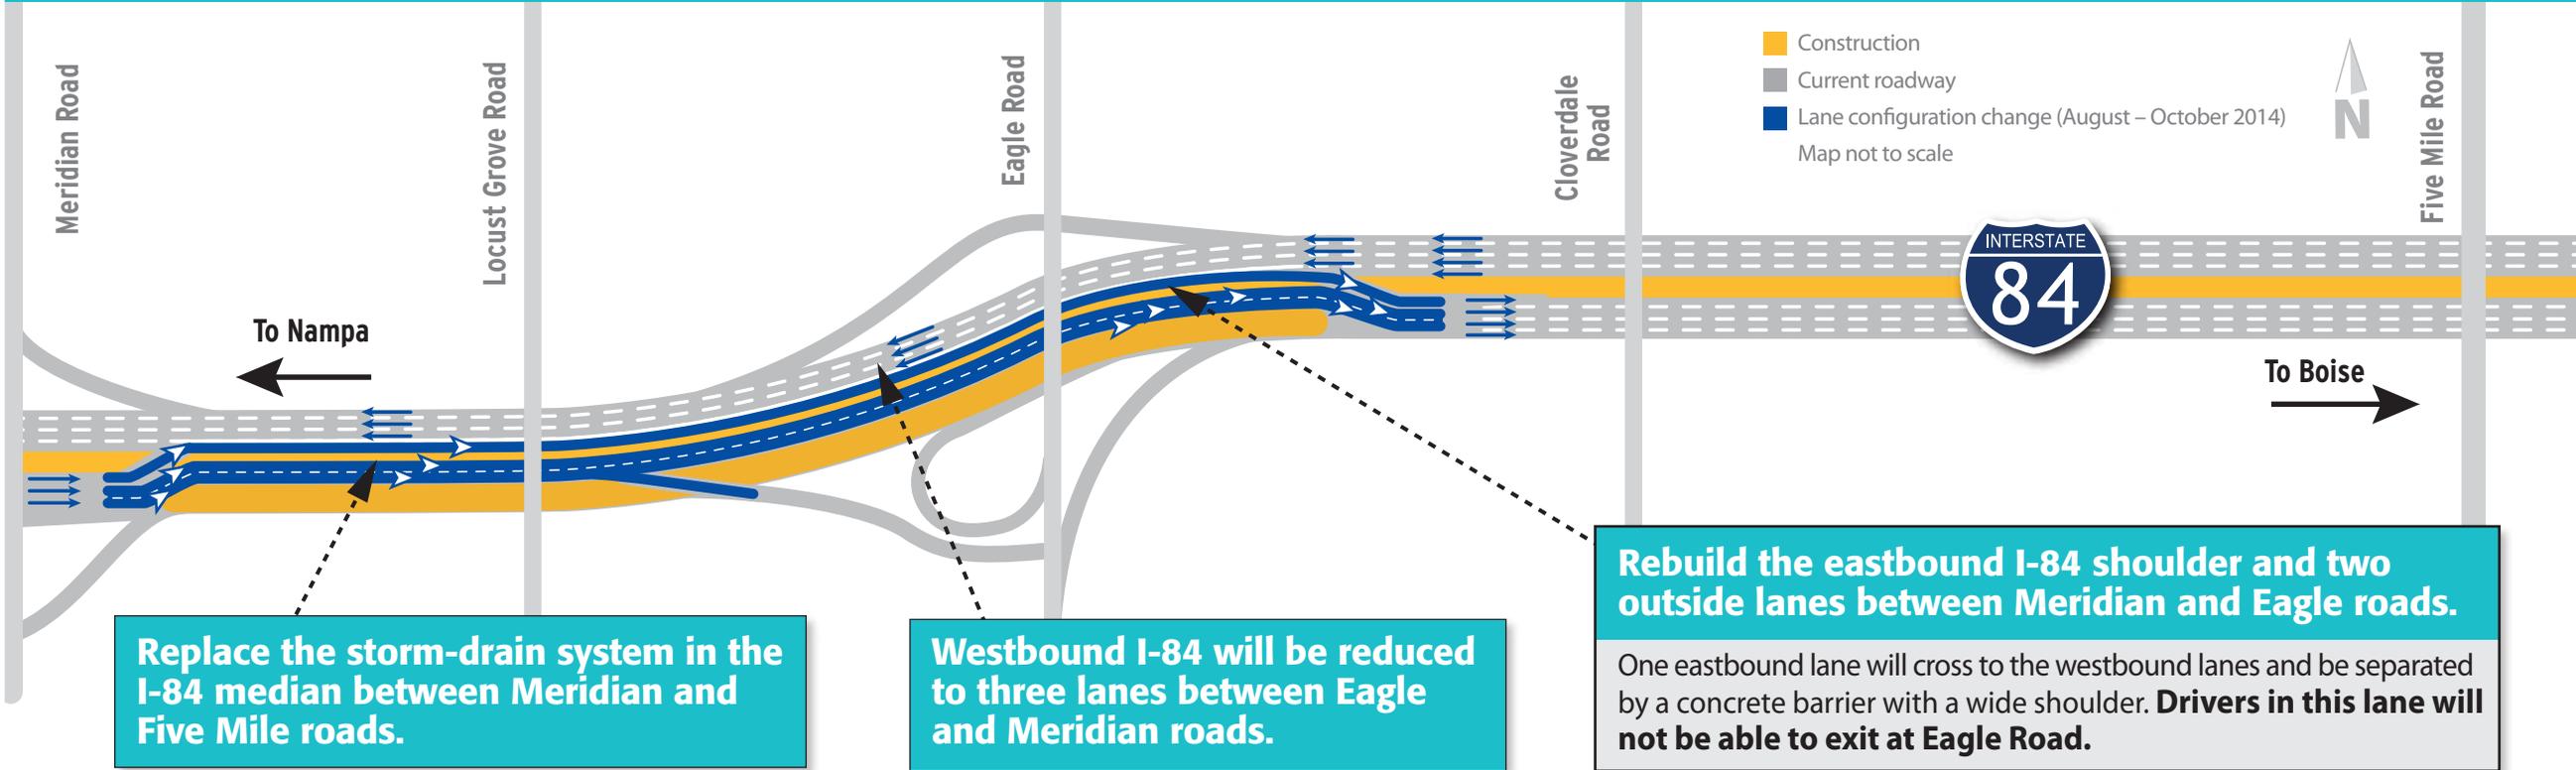

APRIL 2014

# I-84 CONSTRUCTION IMPACTS | April to October 2014

I-84 improvements from Meridian to Five Mile are expected to be complete in late 2015.

On I-84 between Meridian and Five Mile roads, the outside lanes and shoulders will be rebuilt in both directions, the inside lanes will be improved and the storm-drain system in the median will be replaced.

**DURING CONSTRUCTION:  
LEAVE EARLY  
SLOW DOWN  
PAY ATTENTION**

- At times, I-84 will be reduced to two lanes in both directions at night:
  - Weekdays (10 p.m. to 5 a.m.)
  - Weekends (10 p.m. to 7 a.m.)

- Watch for speed-limit reductions in the work zone on I-84 and Meridian Road.
- Starting in October, crews will begin the same improvements to eastbound I-84 between Eagle and Five Mile roads.
