I-84 traffic pattern changes begin this weekend (Feb. 6) from Meridian to Five Mile

February 2, 2015

Starting this weekend (Feb. 6), a crossover traffic pattern and lane restrictions will be put back in place on I-84 between Meridian and Five Mile roads. **The initiation of this work is weather dependent.**

- I-84 will be reduced to **three lanes** in both directions from the Wye Interchange to just west of the Meridian Interchange.
- One westbound lane will cross the median to the eastbound side between Cloverdale and Meridian roads. **Motorists in this lane will not be able to exit westbound I-84 at Eagle Road or Meridian Road.**
- One eastbound lane will cross the median to the westbound side from Cloverdale Road to just past Five Mile Road.

Click here to see a map of the new traffic pattern.

The lane restrictions and crossover traffic pattern will be in place for several months as crews continue rebuilding the outside lanes and shoulders.

Give yourself extra time when traveling on I-84 and prepare for delays.

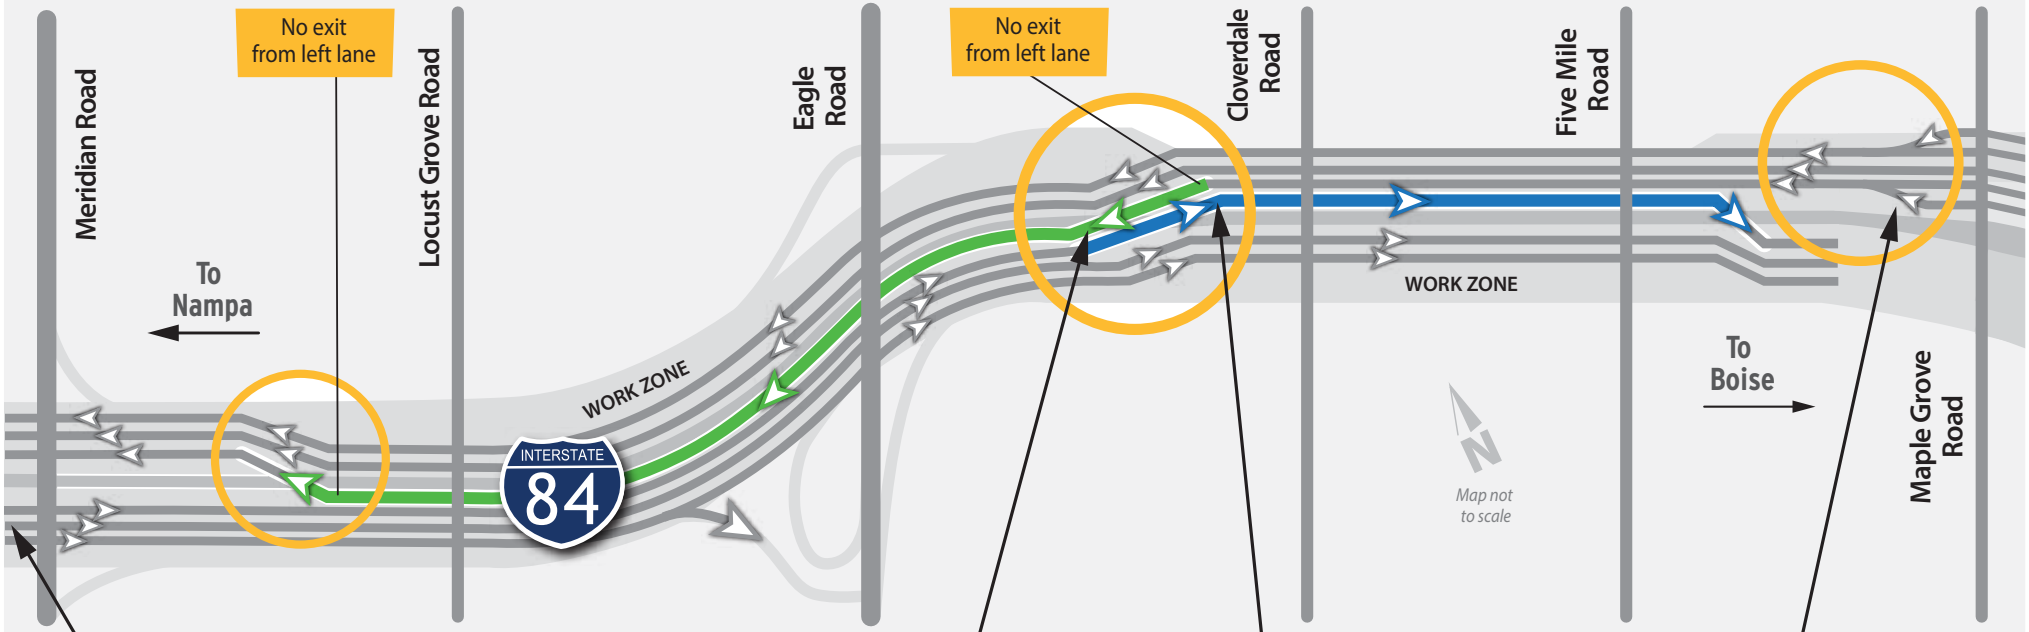
MERIDIAN TO FIVE MILE UPDATE | Early 2015

I-84 WEST
Meridian Interchange

Starting in February, a crossover traffic pattern will be put in place on I-84, allowing crews to continue rebuilding the outside lanes and shoulders. The improvements to I-84 are expected to be complete in late 2015.

I-84 Crossover Traffic Pattern – Starts February 2015



Eastbound I-84 will be reduced to three lanes starting west of the Meridian Interchange.

One westbound lane will cross the median to the eastbound side between Cloverdale and Meridian Roads. **Motorists in this lane will not be able to exit westbound I-84 at Eagle Road or Meridian Road.**

One eastbound lane will cross the median to the westbound side from Cloverdale Road to just past Five Mile Road.

Westbound I-84 will be reduced to three lanes starting at the Wye Interchange.
