

## CONSTRUCTION UPDATES

# Lane restrictions on I-84 in Meridian begin next week; expect delays through early November

Sept. 9, 2015

Starting next week, **I-84 will be reduced to two lanes** in both directions at the Meridian Interchange. The lane restrictions will be in place **through early November**.

**These changes are expected to cause significant delays for I-84 drivers across the Treasure Valley.**

- Once in place, **lanes will be reduced on east- and westbound I-84** between the Eagle and Ten Mile interchanges.
- **Merging conditions will be continually adjusted** at the I-84 Meridian Interchange as crews rebuild the interstate.
- Construction at the I-84 Meridian Interchange will be **finished in late November**, and at that time I-84 will reopen to four lanes.

Restricting lanes on I-84 is necessary to give crews room for building the outside two lanes and shoulder in both directions at the Meridian Interchange.
