

## CONSTRUCTION UPDATES

# Lanes will be restricted at night on I-84, from Meridian to Five Mile, through this fall

Sept. 24, 2015

**Overnight lane restrictions** will be in place on I-84 between Meridian and Five Mile roads through this fall.

The restrictions will allow crews to **grind concrete** on the inside lanes of the interstate.

- The grinding **work will be done at night**, so lanes can be kept open on I-84 during the day. **This work is very noisy.**
- Expect overnight lane restrictions and speed-limit reductions from **10 p.m. to 5 a.m. during the week, and 7 a.m. on weekends.**

This work is part of the final phase of rehabilitating I-84 between the Five Mile overpass and Meridian Road Interchange.
