# UPDATE: Nighttime lane restrictions TONIGHT on Meridian Road between I-84 and Overland Road

September 22, 2014

Meridian Road will be reduced to one lane in each direction **between I-84 and Overland Road TONIGHT (Sept. 22)**. The lane restrictions were planned last night, but due to equipment breaking down, crews were not able to restripe and shift traffic on Meridian Road.

- Flaggers will be in place to direct motorists through the construction zone.
- The lane restrictions will be in place from **10 p.m. tonight to Tuesday (Sept. 23) at 5 a.m.** while crews restripe the roadway.
- Once the restriping is complete traffic using this section of Meridian Road will be shifted to the east. The traffic shift is necessary to create a work zone to build temporary retaining walls.
