

CONSTRUCTION UPDATES

Overnight lane restrictions continue on I-84 between Meridian and Five Mile

May 30, 2014

Overnight lane restrictions and speed limit reductions will continue on I-84 between Meridian and Five Mile for the next several weeks.

- At nighttime, lanes will be restricted from **10 p.m. to 5 a.m.** during the week, and **10 p.m. to 7 a.m.** on weekends.
- All lanes will be open during the day.

Crews are currently working to remove asphalt in the I-84 median to prepare for the installation of new pavement and storm drain system.

This work is part of a project to improve I-84 between Meridian and Five Mile roads. When construction is finished in late 2015, the outside lanes will be rebuilt and repaved and the inside lanes will be improved. In the median, the storm-drain system will be replaced.

[New project website!](#)

ITD has launched a new, mobile-friendly website for the Meridian Interchange project. The new website includes construction updates and project information. It is formatted to adapt to different screen sizes (desktop, tablet or mobile phone).

Check it out at www.itd.idaho.gov/MeridianInterchange/.

As always, please let us know if you have questions.
