PARDON OUR NOISE as crews grind concrete on Interstate 84

Oct. 23, 2015

Crews will continue grinding concrete on I-84 between Meridian and Five Mile through early November.

- **This work is very noisy** and we ask for your patience.
- The **grinding is being done at night** so lanes can be kept open on I-84 during the day.
- Expect overnight lane restrictions and speed-limit reductions on I-84 from **10 p.m. to 5 a.m. during the week, and 7 a.m. on weekends.**

Nighttime work is necessary to alleviate traffic disruptions during the day. We apologize for the inconvenience.

This work is part of the final phase of rehabilitating I-84 between the Five Mile overpass and Meridian Road Interchange.
