

CONSTRUCTION UPDATES

REMINDER: I-84 reduced to two lanes at Meridian Interchange by Wednesday morning commute (Sept. 16)

Sept. 14, 2015

Lane restrictions on I-84 at Meridian Road are expected to result in **longer commute times** beginning **Wednesday morning** (Sept. 16).

- **Tuesday night through the end of this week**, crews will shift lanes, move guardrail and stripe I-84 as the new traffic pattern is put in place.
- By late this week, **lanes will be reduced on east- and westbound I-84** between the Eagle and Ten Mile interchanges.
- **All drivers who use I-84 in the Treasure Valley** should plan ahead and prepare for **significant delays through early November**.

Once lane restrictions are in place, crews will begin breaking up concrete at the Meridian Interchange. **This work will be very noisy.**

Lanes will be reduced through early November as crews rebuild the outside lanes and shoulders under the Meridian Interchange.

I-84 Lane Restrictions | Sept. – Nov.

Prepare for significant delays on I-84 in the Treasure Valley

ITD IS REBUILDING I-84 UNDER THE MERIDIAN INTERCHANGE. THIS WILL BE THE FINAL AND MOST CHALLENGING PHASE OF CONSTRUCTION.

MID-SEPTEMBER – EARLY NOVEMBER

I-84 lane restrictions will begin at the Eagle and Ten Mile interchanges. Restrictions are necessary to give crews room to rebuild the outside lanes and shoulders.
