

# Safety Program Annual Update

Idaho Transportation Department—Public Transportation Office

## Safety Program Components

- A. Vehicle Asset Management
- B. Idaho State Police (ISP) Inspection
- C. Site Reviews

### Vehicle Asset Management

#### Title Inventory:

- 137 vehicles
  - Average Miles: 77,481
  - Average Age: 5.6 years

#### Statewide Inventory

- 600 vehicles
  - Average Miles: 86,232
  - Average Age: 7.5 years

### ISP Inspection Summary

Total Inspections: 76 vehicles

- District 1: 12 vehicles
- District 2: 10 vehicles
- District 3: 16 vehicle
- District 4: 11 vehicles
- District 5: 05 vehicles
- District 6: 22 vehicles

#### Moving Forward:

ITD-PT and ISP inspect all ITD lien held vehicles on an every two year basis. Those that were taken out of

service in 2015 are also added back into the pool in 2016. ITD-PT's goal is to lower vehicle violations by 10%

### Site Review Summary

Total Reviews: 15 sites

- District 1: 4 sites
- District 2: 3 sites
- District 3: 1 site
- District 4: 3 sites
- District 5: 1 site
- District 6: 3 sites

#### Moving Forward:

ITD-PT has developed a Technical Assistance Guide and Ranking. This tool identifies levels of customer support and future site review schedules based on an every two year projection.
