2017 Vehicle Reimbursement Packet

Please be sure to follow appropriate process based on the procurement thresholds set within the executed ITD Funding Agreement. This document is meant to guide the procurement and reimbursement process for subrecipients of FTA capital funding through ITD-PT. **This document is intended as a technical assistance product. The Department holds no responsibility in the implementation of this document. It is intended solely as a resource for users and is not intended to replace or alter defined legal procurement requirements.*

ITD Stand Funding Agreement Section 10 Procurement Requirements

Submit during Procurement Process: (for file documentation only)

- Bid Documents
- Award
- Purchase order

Submitted with Reimbursement Request:

- Signed invoice/Reimbursement form (see page 3)
- Vendor invoice
- Proof of payment

After delivery of vehicle:

- Copy of vehicle registration
- Title of the vehicle listing "ITD – Public Transportation" as the lien holder of first position
 - Title to Project equipment other than vehicles shall rest with the Subrecipient.
 - The Subrecipient hereby agrees that the State of Idaho is lien holder for each vehicle purchased under this Project. The Subrecipient shall arrange with the Idaho Division of Motor Vehicles (DMV) to issue the certificate of title in the name of the Subrecipient with the State of Idaho Transportation Department as lien holder. The Subrecipient shall arrange with DMV to send the original title to the State's Public Transportation Office for this project.
 - The State will hold a lien on the title of any vehicle purchased under this project. The Subrecipient may request a clear title after the vehicle reaches its useful life.
 - The Subrecipient gives the State Power of Attorney limited to applying for a Vehicle Title from the Idaho Division of Motor Vehicles and to requesting the Idaho Division of Motor Vehicles remove the State's lien from the vehicle title.

- Proof of Insurance
 - Automobile Liability: a minimum coverage of \$500,000 combined single limit per occurrence. The policy shall provide all damage arising out of personal injury to or destruction of property in any one occurrence on any revenue vehicle not covered by 49 CFR Part 387.
 - The policy shall name the Idaho Transportation Department as “loss payee” of the property damage portion of the policy.
 - The Subrecipient shall provide certificate of insurance to the State, annually and at other times if requested. Each certificate must provide for a 30-day prior notice of cancellation, non-renewal, or material change of conditions.
 - The Subrecipient shall use any insurance proceeds relating to items purchased under this grant to repair or replace the covered item(s) that has been damaged, destroyed or stolen or; where specific items are not involved, to cover other liability related to this grant project. The title to any replacement vehicle must show the State of Idaho as lien holder.

- Post-Delivery Buy America Compliance Certification (see page 4)
 - **Buy America**

For purchases over \$150,000, the Subrecipient agrees to comply with 49 CFR Parts 661 and 663, which provide that Federal funds may not be obligated unless steel, iron, and manufactured products used in FTA-funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. In regards to the purchase of vehicles, all materials and supplies purchased with these funds, will be manufactured in the United States and have:

FY16 & FY17: more than 60% domestic content
FY18 & FY19: more than 65% domestic content
FY20 & beyond: more than 70% domestic content

The Subrecipient will provide the appropriate certification to verify this.
