Introduction

The Idaho Transportation Department's Public Transportation Office serves as a statewide leader for public transportation.

In keeping with ITD's strategic mission of "Your Safety, Your Mobility, and Your Economic Opportunity", the Public Transportation Office works to promote the success of all public transportation options throughout Idaho.

Among its many duties the Public Transportation Office is charged with statewide public transportation planning, coordination, grant administration, compliance, performance management, safety monitoring, technical assistance, and acting as a liaison between federal, state and local stakeholders.

Grant programs such as this are critical to ensuring that public transportation options of all kinds are available in Idaho.

Program Description

Purpose:

To improve mobility for seniors and individuals with disabilities by removing barriers to transportation service and expanding transportation mobility options. This program supports transportation services planned, designed, and carried out to meet the special transportation needs of seniors and individuals within rural areas with a population less than 50,000. Eligible projects include both traditional capital investment and nontraditional investment beyond the ADA complementary paratransit services.

Eligible Recipients:

- Subrecipients: State or local government authorities, nonprofit organizations, operators of public transportation that receive grant funds indirectly through a recipient.

Local Match: Operating 50%, Purchase of Service 20%, Capital 20%
