Introduction

The Idaho Transportation Department's Public Transportation Office serves as a statewide leader for public transportation.

In keeping with ITD's strategic mission of "Your Safety, Your Mobility, and Your Economic Opportunity", the Public Transportation Office works to promote the success of all public transportation options throughout Idaho.

Among its many duties the Public Transportation Office is charged with statewide public transportation planning, coordination, grant administration, compliance, performance management, safety monitoring, technical assistance, and acting as a liaison between federal, state and local stakeholders.

Grant programs such as this are critical to ensuring that public transportation options of all kinds are available in Idaho.

Program Description

Purpose:

The Grants for Buses and Bus Facilities program makes Federal resources available to States and designated recipients to replace, rehabilitate, and purchase buses and related equipment and to construct bus-related facilities including technological changes or innovations to modify low or no emission vehicles or facilities.

Eligible Recipients:

- Subrecipients: public agencies or private nonprofit organizations engaged in public transportation, including those providing services open to a segment of the general public, as defined by age, disability, or low income.

Local Match: 20% local share is required

Relevant Information:

- Federal program details and related Federal Circulars
 - <https://www.transit.dot.gov/funding/grants/buses-and-bus-facilities-grants-program-5339>
- Copy of Grant Agreement with ITD if Awarded
 - <http://itd.idaho.gov/pt/>
 - “Grants” tab → “Grants Document” drop down menu
- National Environmental Policy Act – FTA Requirements
 - <https://www.transit.dot.gov/regulations-and-guidance/environmental-programs/national-environmental-policy-act>

Program Priorities:

1. Capital for Existing 5311 Operators
2. Capital for Expansion of Existing 5311 Operators
3. Capital for New 5311 Operators

Application Sections

Your Safety.
Your Mobility.
Your Economic Opportunity.

Section 1: Demonstration of Need

Demonstration of Need for Public Transportation Funding: (3 page maximum, single sided) Applicants should demonstrate the need for the service/project in their local area.

Efforts and metrics will vary based on the unique aspects of each applicant and the project

- Include a description of any data analysis conducted.
 - *Examples may include but are not limited to cost benefit analysis, return on investment, etc. describing the current gap in public transit.*

- Discuss efforts, either qualitative or quantitative that were undertaken to determine need.
 - *Examples may include but are not limited to surveys and assessments conducted, needs studies, ridership history, funding history, etc.*

*Your Safety.
Your Mobility.
Your Economic Opportunity.*

Section 2: Project Description

Project Description: (4 page maximum, single sided) Provide a concise project description, specifically detailing the proposed project for which funds are being requested and how the project addresses the scope and objectives of the grant program. If the project was previously funded by ITD, explain how it was funded.

- Include detailed Scope of Work including but not limited to hours of service, counties and cities served (service area), mode, and populations served.
- Discuss rider origination and destination location.

*Your Safety.
Your Mobility.
Your Economic Opportunity.*

Section 3: Project Planning

Project Planning and Coordination: (3 page maximum, single sided) In this section, the applicant should describe how the proposed project was developed and demonstrate that there is a sound basis for the project and that it is ready to implement if funded.

- Describe how it meets the needs of the service area identified in detail, and describe the Project Development Process
- Describe coordination with local stakeholders on project development and demonstration of public support
- Provide detailed project timeline and milestones for project delivery
- Provide required NEPA worksheet if applying for a capital grant that will be “moving dirt”
- Staffing levels required and organizational chart
- Details on how to account for local match
- Labor unions located in project District
- Details on how coordination and inclusion with Minority and Low-Income Populations was conducted, in compliance with Title VI requirements

*Your Safety.
Your Mobility.
Your Economic Opportunity.*

Section 4: Project Benefits

Project Benefits: (3 page maximum, single sided) In this section applicants should identify expected project benefits, including basic goals and objectives for the project and grant program. Applications should address how the project will:

- Improve efficiency or increased ridership;
- Improve safety;
- Improve mobility;
- Support local economic development and expand economic opportunity;

Your Economic Opportunity.

Section 5: Project Evaluation

Project Evaluation: (2 page maximum, single sided) In this section applicants should describe the methodology that will be used to measure and evaluate the project and determine the project's value to the community.

Evaluations and metrics will vary based on the unique aspects of the project, and the processes and policies of each organization

- Describe how the applicant intends to evaluate success of the project. Include in the description any data that will be collected and relevant to the specific measures.
 - *Examples may include but are not limited to budget, project milestones completed, cost per mile, cost per trip, revenue hours, service hours, safety reports, etc.*
- Describe how community information and continuous input will be used to evaluate the project's value.
- Expecting the project under this grant to be successful, describe how the agency plans to sustain the service/project after the end of the grant period.

Frequently Asked Questions

1. Can I apply for more than one grant for the same project?
 - a. Yes, however ITD-PT encourages all applicants to read through the priorities of each grant and assess which program is best suited for your project.
2. If I have multiple projects for the same funding source/grant, do I need to submit one application for each?
 - a. If there is more than one scope, such as operating and capital please submit one application for each project.
 - b. However, for the 5310 and 5311 grants we allow the admin, operating, and preventative maintenance under the same project scope to be applied for under one application.
3. How is the funding distributed?
 - a. For the 5310 program, funds are first distributed to each district based on the percentage of Elderly and Disabled population in that area. From the district level, ITD-PT utilized the priorities outlined in the application to award the funding to the subrecipients.
 - b. For the 5311, 5339, and VIP programs, funds are first distributed to each district based on the rural population percentage. From the district level, ITD-PT utilized the priorities outlined in the application to award the funding to the subrecipients.
4. How are the projects evaluated?
 - a. See the Evaluation document posted to the ITD-PT [website](#) under the Grant Application Tab → Documents section
5. Who evaluates the projects and makes funding decisions?
 - a. There are multiple instances where projects are evaluated. The first is through the public comment period from December 1-January 30th. After public comment the ITD-PT office evaluates and ranks the projects, and presents the funding scenarios to PTAC for their input. After PTAC, the ITD-PT office presents the projects to the ITD Board for final decision
6. When will I be notified of the awards?
 - a. After the Idaho Transportation Board makes the funding decisions the PT office will notify all applicants of the awards. Awards will also be posted to the PT website.

*Your Safety.
Your Mobility.
Your Economic Opportunity.*

7. If awarded, when will the funding begin and how long is the agreement for?
 - a. For operating grants, funding agreements will be executed for two separate one year terms. The first from October 1, 2018-September 30th-2019, and the second from October 1, 2019-September 30, 2020. For Capital grants, funding agreements will be executed for the full two years from October 1, 2018-September 30, 2020 unless specific circumstances arise.

8. Where can I find more information on each grant program (i.e. eligible projects and subrecipients)?
 - a. ITD-PT [website](#) under the “Grants” tab
 - b. FTA [website](#)

9. Where can I find more information on the rules and regulations subrecipients adhere to regarding FTA grants?
 - a. ITD PT [website](#) under “Grants” tab
 - b. FTA website <https://www.transit.dot.gov/funding/grants/grant-programs>

10. Who can I contact for additional questions?
 - a. Kim McGourty at kim.mcgourty@itd.idaho.gov or 208-334-4475
