MALAD CITY	STP-RURAL (L)	STP-RURAL	RW	-	-	-	-	-	-	-	-	-	-	-		
This project will reconstruct approximately 0.7 miles of Bannock Street, which runs through the center of Malad city. Routine maintenance has kept the roadway drivable, but the heavy truck traffic along the route has deteriorated the pavement section. A major water system upgrade in the recent past has left this route with many utilities patches. The roadway needs a complete reconstruction to re-establish a proper pavement section.																
STATE, FY21b D5 BRIDGE REPAIR	5	CN	-	2,932	-	-	-	-	-	-	-	2,932	2,717	215

This project will replace the West Bridge Street Bridge over the Snake River in Blackfoot because the existing bridge (97611A) does not serve the needs of Bingham County, the City of Blackfoot or various industrial interests. The existing bridge, build in 1936 is a steel truss bridge with significant vehicular damage to the steel truss superstructure, large areas of delamination and spalled concrete and settlement and twisting of piers. The project would remove the existing bridge and build a new bridge adjacent to the current structure.
