Idaho high schoolers invited to experience National Flight Academy's simulated aircraft carrier

BOISE - Idaho high school students interested in experiencing life in the world's largest simulated aircraft carrier are invited to apply through the end of January to the [National Flight Academy](#) for the event to be held June 9-14, 2024. The simulation will take place in Pensacola, Florida.

Availability is limited to 9th, 10th and 11th graders in the coming school year. Ten students will live for six days inside a 102,000 square foot, multi-story facility, surrounded by advanced technology, flight simulators, and virtual-reality games that ignite imagination and encourage learning.

The experience is designed to inspire interest in Science, Technology, Engineering and Mathematics (STEM). This is a grant-funded program hosted by the Idaho Transportation Department in partnership with the Federal Highway Administration.

Students interested in applying should visit <https://forms.gle/AxNdD8LwaSW5yHpB8>

Applications are due **by Jan. 30, 2024**. For more information, contact Jessika Doglietto at (208) 908-2190 or by email at Jessika.Doglietto@itd.idaho.gov

Students will be in the care of the National Flight Academy staff for the week and will not be permitted to leave. Cost of lodging, meals, and transportation for students is covered through the grant.
