Lane closure tonight on US-12 Clearwater Memorial Bridge

LEWISTON – Motorists can expect traffic on U.S. Highway 12 Clearwater Memorial Bridge to be reduced to one lane tonight at 7 p.m. while crews pour concrete for the new deck. Flaggers will allow traffic to take turns crossing the bridge until work is complete mid-morning tomorrow. Delays should be a maximum of 15 minutes.

Drivers should plan for similar delays next week when concrete will be poured for the opposing lane on the nights of May 15 and May 22. Each pour will take several hours to set, and the work is expected to go into the mid-morning hours.

Bridge construction will conclude by the end this year. The new bridge will enhance safety by providing wider lanes, wider shoulders for bicyclists and wider sidewalks for pedestrians. Live traffic impacts across the region can be found by visiting 511.idaho.gov, dialing 5-1-1 or downloading the app.
