Delays expected on the Perrine Bridge next week for inspection

SHOSHONE—Drivers can expect lane restrictions and possible delays near Twin Falls to begin Monday as crews from the Idaho Transportation Department perform routine biannual inspections on the Perrine Bridge.

Traffic will be reduced to one lane in either direction while crew members are utilizing the inspection truck. Work will occur at non-peak hours to help reduce congestion and is expected to follow the below schedule:

- **Southbound outside lane closure: Monday from 8 a.m. – 4 p.m.**
- **Northbound outside lane closure: Tuesday from 8 a.m. – 4 p.m.**

Pedestrian access may be subject to short restrictions during portions of the inspection. Motorists should consider using an alternate route between the hours listed above. The schedule is subject to change pending weather conditions, so travelers should remember to check [511.idaho.gov](https://www.511.idaho.gov) for updates or pay attention to signage in the area..

Drivers are urged to exercise caution near the work zone and watch for crew members and equipment. ITD appreciates the patience and cooperation of those driving through the area.
