## **Nighttime closures planned for eastbound I-84 near Gowen Road**

BOISE – Starting Friday, the Idaho Transportation Department will begin one week of nighttime closures on eastbound Interstate 84 near Gowen Road. The closures are part of a repair project to fix bumps in the roadway caused by settling and rutting at the beginning and end of the bridge.

During the closures, eastbound drivers will be detoured off I-84 at the Gowen Road off-ramp and directed back onto the interstate via the on-ramp. The detour will remain within the same interchange, and only minor delays are expected.

The project involves reconstructing approximately 250 feet of the two-lane eastbound approach before the Gowen Bridge, as well as 50 feet beyond it.

Full eastbound closures are scheduled during the following hours, weather permitting:

- Monday through Friday: 7 p.m. to 4 a.m.
- Saturday and Sunday: 7 p.m. to 7 a.m.

Drivers are encouraged to plan ahead and allow extra time when traveling through the area. For the latest construction updates and detour information, visit [511.idaho.gov](http://511.idaho.gov) or use the Idaho 511 app.
