**REGARDING: ITD RFSOQ's 19-D1 through D6 - A&E Rosters – ADDENDUM 1**

This ADDENDUM 1 is sent to answer questions received for the Request for Statements of Qualifications for the Idaho Transportation Department's, Districts 1 through 6, Architect and Engineer Rosters.

- 1) **QUESTION:** We provide a number of engineering services, structural, electrical, mechanical, civil site etc. Do we need to fill out a consulting engineering firm information form for each discipline, or only if there are a sub and teaming with us?

**ANSWER:** Yes, the ITD would like the submitting Architectural firm to submit an engineering firm form for each engineering discipline they propose as the ideal A&E team.

- 2) In the base of the proposal, I'm assuming we could have one overall company profile and then project approach/experience for each discipline, or are these treated as individual proposals for each discipline?

**ANSWER:** Yes, one overall company profile and project approach. The individual engineering disciplines will not be treated as individual proposals. The Engineering firms submitted by the Architectural firm will work as a sub-contractor for the contracted Architectural firm. ITD's ideal A&E teams will consist of the Architectural firm and the following engineering services, at a minimum; however, an A&E Team that does not include all of the disciplines listed below will be considered as well. The ITD will select the appropriate A&E Team from the Roster which best meets the needs of the individual ITD projects.

**Electrical**  
**Mechanical**  
**Structural**  
**Civil**  
**Landscape**  
**GeoTechnical**

These questions and answers do not change the due dates of the RFSOQs.

19-D1-AE – District 1 Roster – due before *April 17, 2019* at 3:00:00 P.M., PT  
19-D2-AE – District 2 Roster – due before *April 17, 2019* at 9:00:00 A.M., PT  
19-D3-AE – District 3 Roster – due before *April 18, 2019* at 9:00:00 A.M., PT  
19-D4-AE – District 4 Roster – due before *April 17, 2019* at 11:00:00 A.M., PT
