REQUEST FOR INFORMAL BIDS

ITD Project No. FM42404

District 4 Supply Operations Boiler Replacement

Idaho Transportation Department
District #4
Shoshone, Idaho

The State of Idaho, Idaho Transportation Department, will receive informal bids for the above project at 11331 W. Chinden Blvd., Boise, ID 83714 until 2:29:59pm local time on September 27th, 2023. Formal Bid Opening is not required. Bidders will be notified of final bid results via email and final bid results will be posted to the Idaho Transportation Department's public web site at <http://itd.idaho.gov/business/> "Facility Bids" tab.

The work shall include labor and materials required to remove two existing hot water boilers and replace with a single hot water boiler in the Supply Operations Building as shown on the attached drawings and specifications.

An on-site inspection will be scheduled at 10:30am on September 19th, 2023 at 216 S. Date St., Shoshone, Idaho with Mike Stowell, D4 Facility Manager, (208) 886-7888.

Informal bids shall be based on provisions of §44-1001 and §44-1002, Idaho Code pertaining to the employment of Idaho residents, and §72-1717, Idaho Code requiring an alcohol and drug-free workplace.

The contractor will be required to maintain Contractors Liability Insurance to include Workman's Compensation (statutory), Employers Liability (\$100,000 minimum) and Comprehensive General Liability (minimum of \$500,000 combined single limits for bodily injury and property damage). A certificate of insurance will be required prior to any work being done.

The contractor will be required to coordinate his work with Mike Stowell, D4 Facility Manager.

All work is to be accomplished within (60 of days) calendar days from receipt of a Notice to Proceed. Failure to perform the work within this established time period will be grounds for withholding an appropriate amount of the compensation as damages for the delay.

A Public Works Contractors License for the State of Idaho is required to bid on this work.

The Contractor agrees to pay all state sales and use taxes.

Performance bonds are required for all contracts with an estimated value of \$50,000 or more. Payment bonds are required for all projects where subcontractors are utilized.

In the event it becomes necessary to revise any part of the bid documents, addenda will be issued. Information given to one bidder will be available to all other bidders if such information is necessary for purposes of submitting a bid or if failure to give such information would be prejudicial to uninformed bidders. It is the bidder's responsibility to check for addenda prior to submitting a bid. A bidder is required to acknowledge receipt of all addenda by identifying the addenda numbers in the space provided on the bid proposal form. Failure to do so may result in the bid being declared non-responsive. No addenda will be issued less than four (4) calendar days before the closing date unless the bid closing date is extended.
