RE: Idaho Transportation FM92501 Construction Manager Roster through July 31, 2029

Recently, the Idaho Transportation Department (ITD) reviewed all companies that responded to a Request for Statement of Qualifications. Based on the criteria detailed in the request, ITD has determined the companies that are on the Idaho Transportation FM92501 Construction Manager Roster for Facility Construction projects through July 31, 2029.

This roster lists companies ITD may contract with for individual projects throughout the contract period. ITD may choose to interview several companies prior to selecting a firm to perform services. However, multiple interviews are not required and ITD may, at its discretion, simply select a company to perform the individual project work.

The following companies **are** on the Idaho Transportation Department FM92501 Construction Manager Roster:

Big D Construction
CM Company Inc.
McAlvain Construction Inc.

The companies listed below **are not** on the Idaho Transportation Department FM92501 Construction Manager Roster.

Core
Kreizenbeck Constructors
Petra
Wright Brothers

The companies listed below submittal were found to be non-responsible and **are not** on the Idaho Transportation Department FM92501 Construction Manager Roster.

HMH Engineering

Thank you for responding to the request. No additional action is required at this time. If you have any questions, please let me know.

Best Regards,
