GENERAL INFORMATION

PROPOSAL

The Idaho Transportation Department (ITD) is seeking qualified and experienced respondents from interested firms to submit a proposal for providing project development services for the Bliss Rest Area Parking Expansion project.

GENERAL TERMS

This Request for Proposals (RFP) does not commit ITD to enter into an agreement or to pay any costs incurred in the preparation of a proposal or in subsequent negotiations.

REVISIONS TO RFP

All addenda to this solicitation will be posted on the Consultant Services web page. No notice will be given by mail.

RESERVATION OF RIGHTS BY ITD

The issuance of this RFP does not constitute an assurance by ITD that any contract will actually be entered into by ITD, and expressly reserves the right to:

- Waive any immaterial defect or informality in any response or response procedure
- Reject any and all proposals
- Reissue the Request for Proposals
- Invite additional respondents to the proposal
- Request additional information and data from any or all respondents
- Extend the date for submission of responses
- Supplement, amend, or otherwise modify the RFP, and cancel this request with or without the substitution of another RFP
- Disqualify any respondent who fails to provide information or data requested herein or who provides inaccurate or misleading information or data
- Disqualify any respondent on the basis of any real or apparent conflict of interest

By responding to this proposal, each respondent agrees that any finding by ITD of any fact in dispute as to this proposal or the responses thereto shall be final and conclusive, except as provided herein.

CONFLICT OF INTEREST

By the submission of a proposal, the Consultant agrees to ensure that, at the time of contracting, the Consultant will have no interest, direct or indirect, that would conflict in any manner or degree with the performance of the Consultant’s obligations under the Agreement. The Consultant shall further covenant that, in the performance of the contract, the Consultant shall not employ any person, or subcontract with any entity, having any such known interest.
**EEO REQUIREMENTS**

Respondent, by submission of a proposal, agrees to not discriminate against any worker, employee, application subcontractor or any member of the public because of race, color, gender, age, national origin, or disability, or otherwise commit an unfair employment practice. Respondent further agrees to comply with all Federal, State, and Local equal employment opportunity requirements and the requirements of the ITD EEO Special Provisions, accessible at the following web site: http://apps.itd.idaho.gov/apps/ocr/index.aspx.

All firms working for the Department area required to register on the Bidder’s List with the Office of Civil Rights. If your firm has not registered, go to the following website for instructions: https://itd.dbesystem.com/. Please make sure your subconsultants are also registered. For further information regarding this requirement, call the ITD EEO Office at (208) 334-8884.

**DBE PARTICIPATION REQUIREMENTS**

In an effort to achieve ITD’s DBE Annual Participation Goal (APG) of 10% utilization, ITD respectfully requests and encourages responder to consider utilizing subcontractors and suppliers listed on our DBE Directory located at: https://itd.dbesystem.com. For more information regarding ITD’s DBE Program, call the ITD DBE coordinator at (208) 334-8567.

**FINANCIAL REQUIREMENTS**

Prior to negotiating an agreement, the selected consultant and their subconsultants will be required to submit certified hourly rates and their last years’ financial information and overhead schedule in accordance with the Federal Acquisition Regulations (FARs) and the ITD Overhead Rate Policy. The Overhead Rate Policy can be viewed at the following web site: http://itd.idaho.gov/business/?target=consultant-agreements.

**PROPRIETARY MATERIAL**

ITD assumes no liability for disclosure of proprietary material submitted by respondents. Proposal submittals shall be considered public documents under applicable state law except to the extent portions of the submittals are otherwise protected under applicable law.

**CERTIFICATION REGARDING DEBARMENT**

All proposals must contain a signed Certification Regarding Debarment, Suspension, and other Responsibility Matters form for the prime and each subconsultant.

PROPOSAL EVALUATION AND SELECTION

An Evaluation Committee will evaluate and determine the individual and comparative merits of each of the proposals received. It is the responsibility of the Consultant to ensure that it complies with this RFP and provides the information requested. If the Consultant fails to provide any information requested in this RFP, such failure may result in either a lowered evaluation score of the proposal or disqualification of the proposal.

It is the intent of the department to take approximately fifteen days, commencing on the submission date shown below, to evaluate the submitted proposals. The department intends to notify the successful and unsuccessful Consultants as soon as practicable after the evaluations have been completed, and after approval has been given on the Evaluation Committee’s recommendations.

As part of the selection process, the top-ranked firms may be required, at their expense, to give a presentation and/or answer interview questions.

If your firm is selected and approved, negotiations will begin. If negotiations break down with a selected Consultant, they will be formally ended and negotiations will begin with the next ranked Consultant.

CONTRACT TYPE AND METHOD OF PAYMENT

The contract for this work will be a professional services agreement. It is anticipated that the method of payment will be Cost Plus Fixed Fee.

GENERAL SCOPE OF WORK

Bliss Rest Area is located on Interstate 84 at approximately MP 133.2 and includes restroom facilities, truck parking, and small vehicle parking for both westbound and eastbound traffic. The rest area was reconstructed in 2003. Record drawings are available in metric which show not only the current layout of the rest area but also future truck parking expansion areas. 2003 plans are in a PDF format. Juniper Rest Area is located on Interstate 84 at approximately MP 269.2.

The purpose of this project is to increase accessibility of Bliss and Juniper Rest Areas by installing additional truck parking spaces at Bliss Rest Area and by making repairs to the buildings at both Juniper and Bliss Rest Areas. It is needed because truck parking demand exceeds capacity at Bliss Rest Area and because closure of the rest areas often occurs due to various building problems.

The construction budget for this project is approximately $3.7 million, scheduled for construction in 2025.

This project will include geotechnical and materials services, drainage design, parking lot design, design of building repairs, preparation of special provisions, engineers estimate, and construction plans. Design will be driven by current AASHTO rules.

Anticipated work includes expanded truck parking at Bliss Rest Area, construction of open/closed signs and closure gates at Bliss Rest Area, repair of downed luminaires at Bliss Rest Area, and work with Idaho Power to address the frequent power outages at Bliss Rest Area.

Anticipated building work at Bliss Rest Area buildings includes: supply water line (WB), well house to buildings, exit signage (lighted), lighting upgrade partial, restroom accessories i.e. mirrors, toilet paper holders, hand dryers, etc, sanitary sewer system (EB), plumbing fixtures - all (W&E) i.e., toilet paper holders, hand dryers, etc, Sink drains, entrance doors (E&W) including replace door closers, Water Heater(s) (E&W), floor finishes, GFCI outlets, occupancy sensors for lighting, general plumbing systems (EB), lift station rebuild (WB), seal structural cracking (seal), security cameras.

Anticipated building work at Juniper Rest Area buildings includes: exterior sheet rock and joint fixes, ceiling tile replacement, plumbing fixtures (all), entrance doors, stall door hardware, rest room accessories (mirrors, toilet paper dispenser), upgrade interior and egress lighting, paint interior and exterior, door closers, GFCI outlets, seal structural cracking, and security cameras.

Evaluation of hydraulic needs and development of a Hydraulic report may be needed. Culvert Crossings exist that need to be evaluated.

Survey work/topography has already been completed at Bliss Rest Area and is available. Collection of additional survey/topography may be needed for monument perpetuation or other purposes.

An environmental document will be required. District 4 Environmental personnel will complete the Categorical exclusion anticipated for this project. Supporting exhibits may be needed in support of D4 Environmental personnel. Asbestos analysis will be required prior to any work on existing concrete structures.

The rest areas are both located on perpetual easements of BLM managed land. Coordination with the BLM may be required. Public involvement outreach may be needed.
The final package for this project, ready for advertising, will include Plans, Proposal, Estimate, Schedule, Resident Engineer File, and Right of Way Certification. **PS&E delivery on or before March 25, 2024 is required.**

**ITD Services**
- Provide environmental document
