- ❖ General Information and Requirements
- ❖ Sample Agreement and Consultant Agreement Specifications
- ❖ Federal Per Diem Rates
- ❖ Certification Regarding Debarment, Suspension, and Other Responsibility Matters form

# **GENERAL INFORMATION**

## **PROPOSAL**

The Idaho Transportation Department (ITD) is seeking qualified and experienced respondents from interested firms to submit a proposal for providing project development services for the SH 53 WA STATE LINE TO HAUSER LAKE RD project.

## **GENERAL TERMS**

This Request for Proposals (RFP) does not commit ITD to enter into an agreement or to pay any costs incurred in the preparation of a proposal or in subsequent negotiations.

## **REVISIONS TO RFP**

All addenda to this solicitation will be posted on the Consultant Services web page. No notice will be given by mail.

## **RESERVATION OF RIGHTS BY ITD**

The issuance of this RFP does not constitute an assurance by ITD that any contract will actually be entered into by ITD, and expressly reserves the right to:

- Waive any immaterial defect or informality in any response or response procedure
- Reject any and all proposals
- Reissue the Request for Proposals
- Invite additional respondents to the proposal
- Request additional information and data from any or all respondents
- Extend the date for submission of responses
- Supplement, amend, or otherwise modify the RFP, and cancel this request with or without the substitution of another RFP
- Disqualify any respondent who fails to provide information or data requested herein or who provides inaccurate or misleading information or data
- Disqualify any respondent on the basis of any real or apparent conflict of interest

By responding to this proposal, each respondent agrees that any finding by ITD of any fact in dispute as to this proposal or the responses thereto shall be final and conclusive, except as provided herein.

## **CONFLICT OF INTEREST**

By the submission of a proposal, the Consultant agrees to ensure that, at the time of contracting, the Consultant will have no interest, direct or indirect, that would conflict in any manner or degree with the performance of the Consultant's obligations under the Agreement. The Consultant shall further covenant that, in the performance of the contract, the Consultant shall not employ any person, or subcontract with any entity, having any such known interest.

## **EEO REQUIREMENTS**

Respondent, by submission of a proposal, agrees to not discriminate against any worker, employee, application subcontractor or any member of the public because of race, color, gender, age, national origin, or disability, or otherwise commit an unfair employment practice. Respondent further agrees to comply with all Federal, State, and Local equal employment opportunity requirements and the requirements of the ITD EEO Special Provisions, accessible at the following web site: <http://apps.itd.idaho.gov/apps/ocr/index.aspx>.

All firms who seek to work for the Idaho Transportation Department are required to be registered on ITD's Bidders List. If your firm is not registered, go to the following web site for instructions: <http://apps.itd.idaho.gov/apps/ocr/index.aspx>. Your subconsultants are also required to be registered. For further information regarding this requirement, call the ITD EEO Office at (208) 334-8884.

## **DBE PARTICIPATION:**

In an effort to achieve ITD's DBE Annual Participation Goal (APG) of 10% utilization, ITD respectfully requests and encourages responder to consider utilizing subcontractors and suppliers listed on our DBE Directory located at: <https://itd.dbesystem.com>. For more information regarding ITD's DBE Program, call the ITD DBE coordinator at (208) 334-8567.

## **FINANCIAL REQUIREMENTS**

Prior to negotiating an agreement, the selected consultant and their subconsultants will be required to submit certified hourly rates and their last years' financial information and overhead schedule in accordance with the Federal Acquisition Regulations (FARs) and the ITD Overhead Rate Policy. The Overhead Rate Policy can be viewed at the following web site: <http://itd.idaho.gov/business/?target=consultant-agreements>.

## **PROPRIETARY MATERIAL**

ITD assumes no liability for disclosure of proprietary material submitted by respondents. Proposal submittals shall be considered public documents under applicable state law except to the extent portions of the submittals are otherwise protected under applicable law.

## **CERTIFICATION REGARDING DEBARMENT**

All proposals must contain a signed Certification Regarding Debarment, Suspension, and other Responsibility Matters form for the prime and each subconsultant.

The certification form is located on the Consultant Services web page at <http://itd.idaho.gov/business/?target=consultant-agreements>.

## **PROPOSAL EVALUATION AND SELECTION**

An Evaluation Committee will evaluate and determine the individual and comparative merits of each of the proposals received. It is the responsibility of the Consultant to ensure that it complies with this RFP and provides the information requested. If the Consultant fails to provide any information requested in this RFP, such failure may result in either a lowered evaluation score of the proposal or disqualification of the proposal.

It is the intent of the department to take approximately fifteen days, commencing on the submission date shown below, to evaluate the submitted proposals. The department intends to notify the successful and unsuccessful Consultants as soon as practicable after the evaluations have been completed, and after approval has been given on the Evaluation Committee's recommendations.

As part of the selection process, the top-ranked firms may be required, at their expense, to give a presentation and/or answer interview questions.

If your firm is selected and approved, negotiations will begin. If negotiations break down with a selected Consultant, they will be formally ended and negotiations will begin with the next ranked Consultant.

## **CONTACT INFORMATION**

All questions concerning the procedures of this request for proposal shall be directed to Andrea Aliev at ITD via email at [Andrea.Aliev@itd.idaho.gov](mailto:Andrea.Aliev@itd.idaho.gov).

All project specific questions shall be directed by e-mail to Steven Bakker at [steven.bakker@itd.idaho.gov](mailto:steven.bakker@itd.idaho.gov). No questions will be accepted by telephone. All questions will be responded to by e-mail, within two days of receipt of the question(s).

Interested firms are encouraged to submit a contact e-mail address to Steven Bakker with a request to be included on an electronic mailing list. Firms on the mailing list will receive copies of the response to all project questions submitted. No firms will be identified in the responses. No project specific questions will be accepted after February 22, 2024.

# PREPARATION INSTRUCTIONS

**Proposals must conform to the following instructions. Any non-conforming proposal will be rejected.**

Proposals must be received by ITD by 4:00 p.m. MST on February 29, 2024. Proposals must be submitted via e-mail with the project name and the consultant's name clearly indicated in the subject line. Late proposals will not be considered.

E-Mail Address for proposal submittal is: [consultantadminunit@itd.idaho.gov](mailto:consultantadminunit@itd.idaho.gov)

## **FORMAT:**

- Required File Format: pdf
- Maximum length of the submittal shall be five (5) pages.
- Cover pages are discouraged. If they are included, they will be counted in the proposal page total.
- The introductory letter is limited to one (1) page.
- Except as otherwise noted, pages shall be 8 ½ x 11 inches, with minimum of ½” margins and a minimum font size of 11.
  
- The following items do not count in the proposal page total.
  - Introductory letter
  - Critical Path Diagram
  - Certification Regarding Debarment

## **INTRODUCTORY LETTER**

The introductory letter should be addressed to:

Andrea Aliev  
Contracts Officer  
Consultant Services  
Idaho Transportation Department  
P.O. Box 7129  
Boise, Idaho 83707-1129

The introductory letter should introduce the Consultant, identify the Project Manager, and list a contact telephone number, and contain a statement confirming the commitment of the key personnel identified in the submittal to meet ITD's quality and schedule expectations. The Consultant shall include his/her acceptance of the terms and provisions of the Sample Agreement located at <http://itd.idaho.gov/business/?target=consultant-agreements>, and indicate willingness to execute said agreement.

## **PROPOSAL**

It is essential that the consultant provide an adequate staff of experienced personnel or subconsultants capable of and devoted to the successful accomplishment of work to be performed under this contract. The specific individuals or subconsultants listed in the proposal, including Project Manager, shall be assigned to the key positions and shall not be removed or replaced without the prior written approval of ITD. Replacement personnel submitted for approval must have at least equal qualifications, experience and expertise as those listed in the proposal.

The following criteria will be considered in the evaluation and selection, and apply only to the Consultant, except where specifically requested for the Consultant and each Subconsultant. The weights listed will be applied to the scoring for each criteria.

### **CRITERIA 1: COMPANY EXPERIENCE AND QUALIFICATIONS** **Weight - 2** *(Complete for Consultant and each Subconsultant)*

- Describe how the company is organized and uniquely qualified to develop this type of project.
- Provide descriptions of no more than three (3) similar projects successfully developed by the Consultant identifying the similarities to this project. Federal-aid projects successfully developed by the consultant should be included if available.
- List three (3) verifiable professional services references with a contact person and phone number.

### **CRITERIA 2: PROJECT MANAGER** **Weight - 4**

- Identify the Project Manager who will be responsible for the quality and timeliness of the consultant's work, and for ensuring that adequate personnel and other resources are available for this project.
- Provide a brief summary of education, experience, and qualifications pertaining to the management of this project
- Provide descriptions of no more than three (3) similar projects successfully developed by the Project Manager, identifying the similarities to this project. Federal-aid projects successfully developed by the project manager should be included if available. Include dates and specific services provided.
- Provide Idaho professional registration (registration is required at the time of submittal).

- List three (3) verifiable professional services references with a contact person and phone number.
- List all projects that the Project Manager is currently managing and the percent of time spent by him/her on each of those projects. Include estimated completion date for each of those projects. Identify availability.

**CRITERIA 3: KEY PERSONNEL & RESOURCES AVAILABLE**  
**Weight - 3** *(Complete for Consultant and each Subconsultant)*

- Identify the key personnel and describe each person's role and duties on this project.
- Provide a brief summary of experience and qualifications and the experience that the team of personnel have working together. Include experience and qualifications working on Federal-aid projects.
- Provide Idaho professional registration (if applicable) for each person identified.
- List all projects that the Key Personnel are currently assigned to and the percent of time spent by him/her on each of those projects. Include estimated completion date for each of those projects. Identify availability.
- Include an organization chart of the key personnel with their roles and office locations.

**CRITERIA 4: PROJECT UNDERSTANDING**  
**Weight - 4**

- Provide a written narrative demonstrating knowledge, methodology, policies and procedures to accomplish this federally funded highway project as outlined in the General Scope of Work.
- Identify the significant features and potential issues that may be encountered and possible steps to eliminate or minimize those issues.
- Include a Critical Path Diagram based on major tasks and project milestones. The sheet size for the Critical Path Diagram shall be 11" x 17".

**CRITERIA 5: QUALITY CONTROL**  
**Weight - 3** *(Complete for Consultant and each Subconsultant)*

Describe the Consultant's procedures for scope change control, schedule and cost control and quality control. This should also include a description of the Consultant's control measures regarding their Subconsultants' project related work.

# GENERAL SCOPE OF WORK

## SH 53 WA STATE LINE TO HAUSER LAKE RD KOOTENAI COUNTY PROJECT NO. A021(939) KEY NO. 21939

### PROJECT DESCRIPTION:

This project is on SH-53 from MP 0 to 1.8 near Hauser and will install an additional lane to be used as a two-way left turning lane, install right-turn lanes as appropriate, widen the roadway shoulders, and install additional illumination in order to reduce serious and fatal crashes and improve safety along this corridor.

The purpose is to increase safety by:

- Provide deceleration left and right turn lanes and illumination at major intersections.
- Provide clear zone recoverable side slopes and drainage.
- Install a two-way left turn lane for the length of the project.
- Reconstruct and widen roadway to AASHTO standard lane, turn-lane and shoulder width where practical.
- Evaluate drainage and replace or improve as needed,
- Install new signs, and delineators,
- Improve safety of private access

Major design criteria that need to be considered include:

- Roadway reconstruction and potential alignment adjustments
- Materials reports
- Drainage improvements
- Illumination
- Right-of-way acquisition
- Work within BNSF right of way
- Coordination with WSDOT

The following activities have been previously completed by others:

- Topo and boundary survey including property line retracement, utility locates and mapping
- Retracement of existing alignment
- Completed Geologic Reconnaissance Report including LCCA

The following activities will be completed by others but could potentially be added by supplemental agreement:

- Environmental approval
- Public Involvement
- Signing and Striping plans

- Temporary Traffic Control plans
- Right of Way plans and legal descriptions for acquisition

### **BRIEF SCOPE OF WORK/ACTIVITIES:**

All work and documentation will be in accordance with the most current AASHTO (American Association of State Highway Transportation Officials) Policy on Geometric Design of Highway and Streets, FHWA (Federal Highway Administration) Manual on Uniform Traffic Control Devices, American with Disabilities Act (ADA) Standards for Accessible Design, and all applicable ITD Standards, Manuals, and Guides.

**Administration** - The consultant will create and maintain project development files, perform necessary research, and lead and attend regularly scheduled progress meetings. Consultant will prepare a project communication guide for use by the project team and be in frequent contact with ITD and all team participants in regards to status of their respective assignments. Consultant will track progress and be able to address questions and resolve issues before they become delays or cause significant rework. Consultant will coordinate directly with the District 1 project manager and provide information periodically for reporting purposes.

**Preliminary Design** - The consultant will prepare preliminary roadway plans and the design study report for the project in accordance with the ITD Design Manual. Consultant will utilize current digital 3D modeling techniques in OpenRoads Designer. Consultant will work with ITD and ITD will prepare a temporary traffic control plan that maintains mobility and minimizes delays for the traveling public during construction of the project. Consultant will follow the ITD environmental evaluation process and ITD will obtain an approved Environmental Document for the project.

**Right of Way Acquisition** – The consultant will work with Ardurra who has been previously selected under a separate agreement in the preparation of official right of way plans, legal descriptions, record of survey, estimates, individual parcel sketches and details if necessary, any required field staking of existing and new right of way, easements, etc., and potentially condemnation exhibits for right of way acquisition. Consultant shall assist ITD HQ ROW personnel during the acquisition process for such items as clarification of the design plans.

**Final Design** – The consultant will perform or prepare any final reports, final plans, agreements, special provisions and cost estimates as required by ITD Design Manual through final design review. Consultant will prepare and obtain any required documents for permitting, such as a SWPPP documents and plans. Consultant will provide a 3D engineered digital terrain (DTM) model for construction of the proposed project that supports the use of Automated Machine Guidance (AMG) during construction.

**PS&E** – The Consultant will prepare and submit to ITD for review a PS&E package and a Resident Engineers file in accordance with ITD Design Manual. Consultant will be available for questions during the bidding process.

**Construction** – Consultant will assist Resident Engineer through construction for such items as: clarification of plans, change order work, reviewing and approving shop drawings, establishing AMG control, updating the DTM surfaces, assisting with claims, etc.

**Project Schedule**

- Preliminary Design Review July 2024
- Final Design Review August 2025
- PS&E Submittal March 2026
