GENERAL INFORMATION

PROPOSAL

The Idaho Transportation Department (ITD), the Local Highway Technical Assistance Council (LHTAC), and the Mountain Home Highway District are seeking qualified and experienced respondents from interested firms to submit a proposal for providing *project development* services for the Pine-Featherville Rd Rehab, Mt Home HD project in Elmore County.

GENERAL TERMS

This Request for Proposals (RFP) does not commit ITD, LHTAC, or Mountain Home Highway District to enter into an agreement or to pay any costs incurred in the preparation of a proposal or in subsequent negotiations.

REVISIONS TO RFP

All addenda to this solicitation will be posted on the Consultant Services web page. No notice will be given by mail.

RESERVATION OF RIGHTS BY ITD

The issuance of this RFP does not constitute an assurance by ITD, LHTAC, or Mountain Home Highway District that any contract will actually be entered into by ITD, LHTAC, or Mountain Home Highway District, and expressly reserves the right to:

- Waive any immaterial defect or informality in any response or response procedure
- Reject any and all proposals
- Reissue the Request for Proposals
- Invite additional respondents to the proposal
- Request additional information and data from any or all respondents
- Extend the date for submission of responses
- Supplement, amend, or otherwise modify the RFP, and cancel this request with or without the substitution of another RFP
- Disqualify any respondent who fails to provide information or data requested herein or who provides inaccurate or misleading information or data
- Disqualify any respondent on the basis of any real or apparent conflict of interest

By responding to this solicitation, each respondent agrees that any finding by ITD, LHTAC, or Mountain Home Highway District of any fact in dispute as to this solicitation or the responses thereto shall be final and conclusive, except as provided herein.

CONFLICT OF INTEREST

By the submission of a proposal, the Consultant agrees to ensure that, at the time of contracting, the Consultant will have no interest, direct or indirect, that would conflict in any manner or degree with the performance of the Consultant's obligations under the Agreement. The Consultant shall further covenant that, in the performance of the contract, the Consultant shall not employ any person, or subcontract with any entity, having any such known interest.

EEO REQUIREMENTS

Respondent, by submission of a proposal, agrees to not discriminate against any worker, employee, application subcontractor or any member of the public because of race, color, gender, age, national origin, or disability, or otherwise commit an unfair employment practice. Respondent further agrees to comply with all Federal, State, and Local equal employment opportunity requirements and the requirements of the ITD EEO Special Provisions, accessible at the following web site: <http://apps.itd.idaho.gov/apps/ocr/index.aspx>.

All firms who seek to work for the Idaho Transportation Department are required to be registered on ITD's Bidders List. If your firm is not registered, go to the following web site for instructions: <http://apps.itd.idaho.gov/apps/ocr/index.aspx>. Your subconsultants are also required to be registered. For further information regarding this requirement, call the ITD EEO Office at (208) 334-8884.

FINANCIAL REQUIREMENTS

Prior to negotiating an agreement, the selected consultant and their subconsultants will be required to submit certified hourly rates and their last years' financial information and overhead schedule in accordance with the Federal Acquisition Regulations (FARs) and the most recent version of the AASHTO Audit Guide. More information can be found at the following web site: <http://itd.idaho.gov/business/?target=consultant-agreements>.

PROPRIETARY MATERIAL

ITD, LHTAC, and the Mountain Home Highway District assume no liability for disclosure of proprietary material submitted by respondents. Proposal submittals shall be considered public documents under applicable state law except to the extent portions of the submittals are otherwise protected under applicable law.

CERTIFICATION REGARDING DEBARMENT

All proposals must contain a signed Certification Regarding Debarment, Suspension, and other Responsibility Matters form for the prime and each subconsultant.

The certification form is located on the Consultant Services web page at <http://itd.idaho.gov/business/?target=consultant-agreements> .

PROPOSAL EVALUATION AND SELECTION

An Evaluation Committee will evaluate and determine the individual and comparative merits of each of the proposals received. It is the responsibility of the Consultant to ensure that it complies with this RFP and provides the information requested. If the Consultant fails to provide any information requested in this RFP, such failure may result in either a lowered evaluation score of the proposal or disqualification of the proposal.

It is the intent of the department to take approximately 28 days, commencing on the submission date shown below, to evaluate the submitted proposals. The department intends to notify the successful and unsuccessful Consultants as soon as practicable after the evaluations have been completed, and after approval has been given on the Evaluation Committee's recommendations.

As part of the selection process, the top-ranked firms may be required, at their expense, to give a presentation and/or answer interview questions.

If your firm is selected and approved, negotiations will begin. If negotiations break down with a selected Consultant, they will be formally ended and negotiations will begin with the next ranked Consultant.

CONTACT INFORMATION

All questions concerning the procedures of this request for proposal shall be directed to Chaz Fredrickson at ITD via email at chaz.fredrickson@itd.idaho.gov.

All project specific questions shall be directed by e-mail to Dan Coonce, at dcoonce@lhtac.org. No questions will be accepted by telephone. All questions will be responded to by e-mail, within two days of receipt of the question(s).

INTRODUCTORY LETTER

The introductory letter should be addressed to:

Chaz Fredrickson
Consultant Services
Idaho Transportation Department
P.O. Box 7129
Boise, Idaho 83707-1129

The introductory letter should introduce the Consultant's submittal, identify the Project Manager, and list a contact telephone number, and contain a statement confirming the commitment of the key personnel identified in the submittal to meet ITD's, LHTAC's, and Mountain Home Highway District's quality and schedule expectations. List each Subconsultant, their work tasks, and a contact name and telephone number. The Consultant shall include his/her acceptance of the terms and provisions of the Sample Agreement located at <http://itd.idaho.gov/business/?target=consultant-agreements>, and indicate willingness to execute said agreement.

DBE PARTICIPATION REQUIREMENTS

In an effort to achieve ITD's DBE Annual Participation Goal (APG) of 8.3% utilization, ITD requires responder to utilize certified subconsultants and suppliers listed on its DBE Directory located at: <https://itd.dbesystem.com/>. For this project, the Consultant must propose a minimum of 7% DBE utilization or demonstrate "Good Faith Effort" toward achieving that goal.

Use Consultant DBE Commitment form (ITD-2398) to show all DBE firms, their specific work task or services, and their utilization percentage. The ITD-2398 is located on the Consultant Services web page at <http://itd.idaho.gov/business/?target=consultant-agreements> .

If the proposal does not show a minimum DBE utilization of 7% or it is determined that it does not show a good faith effort toward achieving that goal, the proposal will be considered non-responsive and will not be accepted.

If the proposal is ranked number one, and the firm is awarded the project, the DBE commitment for the contract will be the total DBE percentage identified by the Consultant on the ITD-2398.

For more information regarding ITD's DBE Program, please contact ITD Office of Civil Rights at civilrights@itd.idaho.gov or call ITD DBE Coordinator Ester Ceja at (208) 334-8567.

GENERAL SCOPE OF WORK

Pine-Featherville Road is classified as a Rural Major Collector and is the only paved roadway in the area. During the winter months this route is only maintained access to the community of Featherville. The road is a major access for recreation to the Boise and Sawtooth National Forest for year-round recreational activities. Federal Highway 61 (FH-61) serves lands on both the Boise and Sawtooth National Forests. This area meets the definition of a high-use recreation site and/or Federal economic generator by the Forest Service; due primary to the area's high visitation, recreation niche (high alpine lakes and recreation sites, hot springs, historic mining towns) and potential economic generation from timber, mining, grazing. The road section has roughly 700 vehicles per day, 5% of which is large vehicle traffic. This RFP will encompass a Federal-aid Rural and Federal Lands Access Program funds. In total the length of roadway will be approximately 7.7 miles and is described in more detail below.

KN 22606

The primary goal of the proposed project is to rehabilitate the roadway surface with the use of CRABS process. The paved roadway currently varies between 22 feet and 26 feet wide, with approximately 1 foot gravel shoulder on both sides of the road. The new design would maintain 26 feet of pavement with 2-foot gravel shoulders. The project will also include the replacement of one set of culverts at Dog Creek with clear span bridge. The roadway serves all local residents of the Pine & Featherville areas, along with numerous recreationalists (both winter and summer). The existing pavement condition of the roadway is in a deficient condition that will eventually need reconstruction if rehabilitation is not completed. Project begins at the Pine Bridge location MP 17.22 and ends at the Johnson Bridge location MP 21.96.

KN 22889

The extent of the project is approximately 3 miles, beginning at the north end of Johnson Bridge (MP22.0) and terminating at an intersection with a residential driveway (MP 25.0). The three-mile length of roadway will be rehabilitated utilizing a base stabilization process in addition to new pavement section. Both projects will be combined to help reduce overall cost to each project. The following categories of service are the minimum requirements to successfully complete the project as a companion project:

- Roadway Design

- Structures
- Survey
- Public Involvement
- Environmental, NEPA document anticipate CatEx
- Geotechnical Investigation/Design
