## Table of Contents

- General Information
- Preparation Instructions
- Evaluation Criteria
- Scope of Work

**The following items are not included in this package, but can be located at the following web site:**

<http://itd.idaho.gov/business/?target=consultant-agreements>

- ❖ General Information and Requirements
- ❖ Sample Agreement and Consultant Agreement Specifications
- ❖ Federal Per Diem Rates
- ❖ Certification Regarding Debarment, Suspension, and Other Responsibility Matters form

# **GENERAL INFORMATION**

## **PROPOSAL**

The Idaho Transportation Department (ITD) is seeking qualified and experienced respondents from interested firms to submit a proposal for providing Project Development services for the ENGINEERING SUPPORT STATEWIDE DAMAGED ASSET EVALUATION project.

## **GENERAL TERMS**

This Request for Proposals (RFP) does not commit ITD to enter into an agreement or to pay any costs incurred in the preparation of a proposal or in subsequent negotiations.

## **REVISIONS TO RFP**

All addenda to this solicitation will be posted on the Consultant Services web page. No notice will be given by mail.

## **RESERVATION OF RIGHTS BY ITD**

The issuance of this RFP does not constitute an assurance by ITD that any contract will actually be entered into by ITD, and expressly reserves the right to:

- Waive any immaterial defect or informality in any response or response procedure
- Reject any and all proposals
- Reissue the Request for Proposals
- Invite additional respondents to the proposal
- Request additional information and data from any or all respondents
- Extend the date for submission of responses
- Supplement, amend, or otherwise modify the RFP, and cancel this request with or without the substitution of another RFP
- Disqualify any respondent who fails to provide information or data requested herein or who provides inaccurate or misleading information or data
- Disqualify any respondent on the basis of any real or apparent conflict of interest

By responding to this proposal, each respondent agrees that any finding by ITD of any fact in dispute as to this proposal or the responses thereto shall be final and conclusive, except as provided herein.

## **CONFLICT OF INTEREST**

By the submission of a proposal, the Consultant agrees to ensure that, at the time of contracting, the Consultant will have no interest, direct or indirect, that would conflict in any manner or degree with the performance of the Consultant's obligations under the Agreement. The Consultant shall further covenant that, in the performance of the contract, the Consultant shall

not employ any person, or subcontract with any entity, having any such known interest.

### **EEO REQUIREMENTS**

Respondent, by submission of a proposal, agrees to not discriminate against any worker, employee, application subcontractor or any member of the public because of race, color, gender, age, national origin, or disability, or otherwise commit an unfair employment practice. Respondent further agrees to comply with all Federal, State, and Local equal employment opportunity requirements and the requirements of the ITD EEO Special Provisions, accessible at the following web site: <http://apps.itd.idaho.gov/apps/ocr/index.aspx>.

All firms working for the Department area required to register on the Bidder's List with the Office of Civil Rights. If your firm has not registered, go to the following website for instructions: <https://itd.dbesystem.com/>. Please make sure your subconsultants are also registered. For further information regarding this requirement, call the ITD EEO Office at (208) 334-8884.

### **DBE PARTICIPATION:**

In an effort to achieve ITD's DBE Annual Participation Goal (APG) of 10% utilization, ITD respectfully requests and encourages responder to consider utilizing subcontractors and suppliers listed on our DBE Directory located at: <https://itd.dbesystem.com> . For more information regarding ITD's DBE Program, call the ITD DBE coordinator at (208) 334-8567.

### **FINANCIAL REQUIREMENTS**

Prior to negotiating an agreement, the selected consultant and their subconsultants will be required to submit certified hourly rates and their last years' financial information and overhead schedule in accordance with the Federal Acquisition Regulations (FARs) and the ITD Overhead Rate Policy. The Overhead Rate Policy can be viewed at the following web site: <http://itd.idaho.gov/business/?target=consultant-agreements>.

### **PROPRIETARY MATERIAL**

ITD assumes no liability for disclosure of proprietary material submitted by respondents. Proposal submittals shall be considered public documents under applicable state law except to the extent portions of the submittals are otherwise protected under applicable law.

### **CERTIFICATION REGARDING DEBARMENT**

All proposals must contain a signed Certification Regarding Debarment, Suspension, and other Responsibility Matters form for the prime and each subconsultant.

The certification form is located on the Consultant Services web page at <http://itd.idaho.gov/business/?target=consultant-agreements>.

## **PROPOSAL EVALUATION AND SELECTION**

An Evaluation Committee will evaluate and determine the individual and comparative merits of each of the proposals received. It is the responsibility of the Consultant to ensure that it complies with this RFP and provides the information requested. If the Consultant fails to provide any information requested in this RFP, such failure may result in either a lowered evaluation score of the proposal or disqualification of the proposal.

It is the intent of the department to take approximately fifteen days, commencing on the submission date shown below, to evaluate the submitted proposals. The department intends to notify the successful and unsuccessful Consultants as soon as practicable after the evaluations have been completed, and after approval has been given on the Evaluation Committee's recommendations.

As part of the selection process, the top-ranked firms may be required, at their expense, to give a presentation and/or answer interview questions.

If your firm is selected and approved, negotiations will begin. If negotiations break down with a selected Consultant, they will be formally ended and negotiations will begin with the next ranked Consultant.

## **CONTRACT TYPE AND METHOD OF PAYMENT**

The contract for this work will be a professional services agreement. It is anticipated that the method of payment will be Specific Rates of Compensation.

## **CONTACT INFORMATION**

All questions concerning the procedures of this request for proposal shall be directed to Andrea Aliev at ITD via email at [Andrea.Aliev@itd.idaho.gov](mailto:Andrea.Aliev@itd.idaho.gov).

All project specific questions shall be directed by e-mail to Mark Snyder at [Mark.snyder@itd.idaho.gov](mailto:Mark.snyder@itd.idaho.gov). No questions will be accepted by telephone. All questions will be responded to by e-mail, within two days of receipt of the question(s).

Interested firms are encouraged to submit a contact e-mail address to Mr. Snyder with a request to be included on an electronic mailing list. Firms on the mailing list will receive copies of the response to all project questions submitted. No firms will be identified in the responses. No project specific questions will be accepted after June 8, 2023.

# PREPARATION INSTRUCTIONS

**Proposals must conform to the following instructions. Any non-conforming proposal will be rejected.**

Proposals must be received by ITD by 4:00 p.m. MDT on June 15, 2023. Proposals must be submitted via e-mail with the project name and the consultant's name clearly indicated in the subject line. Late proposals will not be considered.

E-Mail Address for proposal submittal is: [consultantadminunit@itd.idaho.gov](mailto:consultantadminunit@itd.idaho.gov)

## **FORMAT:**

- Required File Format: pdf
- Maximum length of the submittal shall be five (5) pages.
- Cover pages are discouraged. If they are included, they will be counted in the proposal page total.
- The introductory letter is limited to one (1) page.
- Except as otherwise noted, pages shall be 8 ½ x 11 inches, with minimum of ½” margins and a minimum font size of 11.
  
- The following items do not count in the proposal page total.
  - Introductory letter
  - Critical Path Diagram
  - Certification Regarding Debarment

## **INTRODUCTORY LETTER**

The introductory letter should be addressed to:

Andrea Aliev  
Contracts Officer  
Consultant Services  
Idaho Transportation Department  
P.O. Box 7129  
Boise, Idaho 83707-1129

The introductory letter should introduce the Consultant, identify the Project Manager, and list a contact telephone number, and contain a statement confirming the commitment of the key personnel identified in the submittal to meet ITD's quality and schedule expectations. The Consultant shall include his/her acceptance of the terms and provisions of the Sample Agreement located at <http://itd.idaho.gov/business/?target=consultant-agreements>, and indicate willingness to execute said agreement.

## **PROPOSAL**

It is essential that the consultant provide an adequate staff of experienced personnel or subconsultants capable of and devoted to the successful accomplishment of work to be performed under this contract. The specific individuals or subconsultants listed in the proposal, including Project Manager, shall be assigned to the key positions and shall not be removed or replaced without the prior written approval of ITD. Replacement personnel submitted for approval must have at least equal qualifications, experience and expertise as those listed in the proposal.

The following criteria will be considered in the evaluation and selection, and apply only to the Consultant, except where specifically requested for the Consultant and each Subconsultant. The weights listed will be applied to the scoring for each criteria.

### **CRITERIA 1: COMPANY EXPERIENCE AND QUALIFICATIONS** **Weight - 2** *(Complete for Consultant and each Subconsultant)*

- Describe how the company is organized to develop this type of project.
- Provide descriptions of no more than three (3) similar projects successfully developed by the Consultant identifying the similarities to this project. Federal-aid projects successfully developed by the consultant should be included if available.
- List three (3) verifiable professional services references with a contact person and phone number.

### **CRITERIA 2: PROJECT MANAGER** **Weight - 2**

- Identify the Project Manager who will be responsible for the quality and timeliness of the consultant's and ITD's work, and for ensuring that adequate consultant personnel and other resources are available for this project.
- Provide a brief summary of education, experience, and qualifications pertaining to the management of this project
- Provide descriptions of no more than three (3) similar projects successfully developed by the Project Manager, identifying the similarities to this project. Federal-aid projects successfully developed by the project manager should be included if available. Include dates and specific services provided.
- Provide Idaho professional registration (registration is required at the time of submittal).
- List three (3) verifiable professional services references with a contact person and phone number.

- List all projects that the Project Manager is currently managing and the percent of time spent by him/her on each of those projects. Include estimated completion date for each of those projects. Identify availability.

**CRITERIA 3: KEY PERSONNEL & RESOURCES AVAILABLE**  
**Weight - 3** *(Complete for Consultant and each Subconsultant)*

- Identify the key personnel and describe each person's role and duties on this project.
- Provide a brief summary of experience and qualifications. Include experience and qualifications working on Federal-aid projects.
- Provide Idaho professional registration (if applicable) for each person identified.
- List all projects that the Key Personnel are currently assigned to and the percent of time spent by him/her on each of those projects. Include estimated completion date for each of those projects. Identify availability.
- Include an organization chart of the key personnel with their roles and office locations.

**CRITERIA 4: PROJECT UNDERSTANDING**  
**Weight - 4**

- Provide a written narrative demonstrating knowledge, methodology, policies and procedures to accomplish this federally funded highway project as outlined in the General Scope of Work.
- Identify the significant features and potential issues that may be encountered and possible steps to eliminate or minimize those issues.
- Include a Critical Path Diagram based on major tasks and project milestones. The sheet size for the Critical Path Diagram shall be 11" x 17".

**CRITERIA 5: QUALITY CONTROL**  
**Weight - 1** *(Complete for Consultant and each Subconsultant)*

Describe the Consultant's procedures for scope change control, schedule and cost control and quality control. This should also include a description of the Consultant's control measures regarding their Subconsultants' project related work.

# GENERAL SCOPE OF WORK

## **DESCRIPTION:**

This work consists of providing on call engineering support to ITD staff who require engineering, planning, and environmental support to complete the evaluations required by 23 CFR Part 667.

## **PRIOR DEVELOPMENT**

Each damaged location that will have an evaluation completed will have a related emergency project that triggered the need for an evaluation. Emergency files and as built information as such exits, will be made available by the district requesting the assistance.

## **PROPOSED WORK TASK SCOPE**

Deliverables will be as required to support district evaluation efforts. Expertise required will also depend on the support required by the districts to complete their evaluations. Evaluations will assess alternatives to derive a recommended option. The level of work an evaluation could require could be up to and including the preliminary design required to select a preferred alternative on an engineering project where several options exist.

Areas of expertise that may be required.

- Bridge Design
- Hydraulics & Hydrology
- Roadway Design
- Geotechnical/Materials
- Traffic
- Pathways
- Estimating
- Location Survey
  - Including Aerial, Drone, LIDAR as best fits the need.
- Subsurface Utility Engineering
- Environmental
  - Wetlands
  - Biological Studies
  - Cultural Resources

This list is not exhaustive. Firms should anticipate the need to tap into unanticipated expertise that a specific evaluation requires due to its unique context.

## **WORK BY OTHERS**

The following major work activities will be completed by others.

- Damaged Asset Evaluations will be completed by ITD and/or Consultants hired by ITD for the purpose.
- Evaluation Guidance will be provided by a consultant who will coordinate the larger evaluation effort and ensure we are meeting Part 667 requirements.

## **PROJECT SCHEDULE**

The larger effort is expected to take between 6 months to 1 year. The goal is to have necessary evaluations complete and finalized prior to Jan 1, 2024 to be ready for the annual program update cycle.

The schedule for each element of on call work will fit be timed to match the schedule for the evaluation it's supporting.
