

ADDENDUM NO. 1

TO

IDAHO TRANSPORTATION DEPARTMENT

REQUEST FOR PROPOSALS

FOR

PROJECT DEVELOPMENT SERVICES

PEDESTRIAN RAMP IMPROVEMENTS, ADA CO

KEY NO. 24769

This addendum is to notify interested proposers about the addition of the design of pedestrian pathways located along the Southbound lane of SH-44 starting at Glenwood Bridge and ending at Riverside Drive. The purpose of this to provide safe ADA compliant, pedestrian and bicycle access to and along Glenwood. Please see the below for aerial photo of the location.

The anticipated delivery for PS&E is between October 2025 to March 2026, and advertised from October 2026 to December 2026. Construction will happen in the spring of 2027.

The new proposal due date will be May 19, 2025.

All other provisions of the request remain unchanged.

Dated: April 30, 2025
