GENERAL INFORMATION

PROPOSAL

The Idaho Transportation Department (ITD) is seeking qualified and experienced respondents from interested firms to submit a proposal for providing *Project Development* services for the US 95, Payette to Weiser Passing Lanes project.

GENERAL TERMS

This Request for Proposals (RFP) does not commit ITD to enter into an agreement or to pay any costs incurred in the preparation of a proposal or in subsequent negotiations.

REVISIONS TO RFP

All addenda to this solicitation will be posted on the Consultant Services web page. No notice will be given by mail.

RESERVATION OF RIGHTS BY ITD

The issuance of this RFP does not constitute an assurance by ITD that any contract will actually be entered into by ITD, and expressly reserves the right to:

- Waive any immaterial defect or informality in any response or response procedure
- Reject any and all proposals
- Reissue the Request for Proposals
- Invite additional respondents to the proposal
- Request additional information and data from any or all respondents
- Extend the date for submission of responses
- Supplement, amend, or otherwise modify the RFP, and cancel this request with or without the substitution of another RFP
- Disqualify any respondent who fails to provide information or data requested herein or who provides inaccurate or misleading information or data
- Disqualify any respondent on the basis of any real or apparent conflict of interest

By responding to this proposal, each respondent agrees that any finding by ITD of any fact in dispute as to this proposal or the responses thereto shall be final and conclusive, except as provided herein.

CONFLICT OF INTEREST

By the submission of a proposal, the Consultant agrees to ensure that, at the time of contracting, the Consultant will have no interest, direct or indirect, that would conflict in any manner or degree with the performance of the Consultant's obligations under the Agreement. The Consultant shall further covenant that, in the performance of the contract, the Consultant shall not employ any person, or subcontract with any entity, having any such known interest.

EEO REQUIREMENTS

Respondent, by submission of a proposal, agrees to not discriminate against any worker, employee, application subcontractor or any member of the public because of race, color, gender, age, national origin, or disability, or otherwise commit an unfair employment practice. Respondent further agrees to comply with all Federal, State, and Local equal employment opportunity requirements and the requirements of the ITD EEO Special Provisions, accessible at the following web site: <http://apps.itd.idaho.gov/apps/ocr/index.aspx>.

All firms working for the Department area required to register on the Bidder's List with the Office of Civil Rights. If your firm has not registered, go to the following website for instructions: <https://itd.dbesystem.com/>. Please make sure your subconsultants are also registered. For further information regarding this requirement, call the ITD EEO Office at (208) 334-8884.

DBE PARTICIPATION:

In an effort to achieve ITD's DBE Annual Participation Goal (APG) of 10% utilization, ITD respectfully requests and encourages responder to consider utilizing subcontractors and suppliers listed on our DBE Directory located at: <https://itd.dbesystem.com> . For more information regarding ITD's DBE Program, call the ITD DBE coordinator at (208) 334-8567.

FINANCIAL REQUIREMENTS

Prior to negotiating an agreement, the selected consultant and their subconsultants will be required to submit certified hourly rates and their last years' financial information and overhead schedule in accordance with the Federal Acquisition Regulations (FARs) and the ITD Overhead Rate Policy. The Overhead Rate Policy can be viewed at the following web site: <http://itd.idaho.gov/business/?target=consultant-agreements> .

PROPRIETARY MATERIAL

ITD assumes no liability for disclosure of proprietary material submitted by respondents. Proposal submittals shall be considered public documents under applicable state law except to the extent portions of the submittals are otherwise protected under applicable law.

CERTIFICATION REGARDING DEBARMENT

All proposals must contain a signed Certification Regarding Debarment, Suspension, and other Responsibility Matters form for the prime and each subconsultant.

The certification form is located on the Consultant Services web page at <http://itd.idaho.gov/business/?target=consultant-agreements>.

IDAHO CODE CERTIFICATION FORM

All proposals must contain a signed Idaho Code Certification form for the prime.

The certification form is located on the Consultant Services web page at <http://itd.idaho.gov/business/?target=consultant-agreements>.

PROPOSAL EVALUATION AND SELECTION

An Evaluation Committee will evaluate and determine the individual and comparative merits of each of the proposals received. It is the responsibility of the Consultant to ensure that it complies with this RFP and provides the information requested. If the Consultant fails to provide any information requested in this RFP, such failure may result in either a lowered evaluation score of the proposal or disqualification of the proposal.

It is the intent of the department to take approximately fifteen days, commencing on the submission date shown below, to evaluate the submitted proposals. The department intends to notify the successful and unsuccessful Consultants as soon as practicable after the evaluations have been completed, and after approval has been given on the Evaluation Committee's recommendations.

As part of the selection process, the top-ranked firms may be required, at their expense, to give a presentation and/or answer interview questions.

If your firm is selected and approved, negotiations will begin. If negotiations break down with a selected Consultant, they will be formally ended and negotiations will begin with the next ranked Consultant.

CONTRACT TYPE AND METHOD OF PAYMENT

The contract for this work will be a professional services agreement. It is anticipated that the method of payment will be *Cost Plus Fixed Fee*.

CONTACT INFORMATION

All questions concerning the procedures of this request for proposal shall be directed to Christina Straub at ITD via email at Christina.Straub@itd.idaho.gov.

All project specific questions shall be directed by e-mail to Mark Wasdahl at Mark.Wasdahl@itd.idaho.gov. No questions will be accepted by telephone. All questions will be responded to by e-mail, within two days of receipt of the question(s).

GENERAL SCOPE OF WORK

Project No. A024(823)
Key No. 24823

PROJECT DESCRIPTION:

This project is located on U.S. Highway 95 between Payette (Milepost 69.017) and Weiser (Milepost 81.031) in Payette and Washington counties. Consultant will develop a concept level roadway plan adding a third lane to the existing two-lane facility. The third lane will be a passing lane alternating by direction between intersections where the passing lane will transition to a left-turn lane (T-intersections).

Work Completed to Date – KN 09968 U.S. 95 Central Environmental Scan, Nyssa Junction with U.S. 20/26 to Weiser River, dated May 2014, will be used as a resource to understand potential environmental impacts to road widening in the corridor that could affect cost estimates. The Environmental Scan will be corroborated by the latest NWI Mapper.

KN 20055, 2019 D3 Intersection Improvements US-95 Passing Lanes, MP 70-81 Technical Memo dated February 2023 including five appendices.

Above documents and construction plan sets will be provided from an ITD OneDrive folder, upon request.

Administration – The Consultant will create and maintain project development files, perform necessary research, lead and attend regular scheduled progress meetings. Consultant will track progress and be able to address questions and resolve issues before they become delays or cause significant rework. Consultant will coordinate directly with the ITD Project Manager and provide information periodically for reporting purposes.

Design – Complete a concept level roadway plan. It is anticipated that the following tasks could be a part of this contract:

- Level of Survey required for a surface model consumable by Bentley Concept Station or equivalent compatible CAD software, and definition of existing right-of-way line.
- Hydraulics, Drainage, Irrigation and Stormwater Management
- Roadway Design
- Utilities Identification
- Coordination with Local Entities

Output – The Consultant will have project deliverables of:

- Roll plot of corridor improvements
- Striping Plan
- Typical cross-section of improvements
- Total acreage of additional right-of-way
- Concept level construction cost estimate for improvements

Timeline – Delivery within one year of Notice to Proceed (NTP).
